

MOUNTABLE TRASH BAG DISPENSER

Includes:

- Trashbag Dispenser
- Installation Template & Instructions
- 3x Mounting Screws
- 3x Anchors

Helpful tools for installation:

- Level
- Mallet
- Drill with 1/8"- 3/16" bit for Pilot Hole
- Phillips Screwdriver
- Painter's Tape

INSTRUCTIONS

1. Place the template on desired location. We recommend fastening to at least one wall stud if possible.
2. Level the template and tape into place. Mark placement of the three holes.
3. Drill pilot holes. Use a 1/8" bit for studs or a 3/16" bit for drywall anchors.
4. Remove the template. Tap drywall anchors into the pilot holes if applicable.
5. Align the bag dispenser with the holes.
6. Use a Phillips screwdriver through the access holes on the front of the dispenser to insert screws and tighten down.
