by Jen Sykes
Hello Mrs Sykes

Teacher Tips:

All game cards are available in color and black/white, with 6 per page and 12 per page. Just print, laminate if desired, and cut apart. An optional decorative card back is included. An easy reference poster is at the end; print and post to help students play the game more independently.

CCSS Correlations:

2nd Grade - L.2.4.B - Determine the meaning of the new word formed when a known prefix is added to a known word (e.g., *happy/unhappy, tell/retell*).

3rd Grade - L.3.4.B - Determine the meaning of the new word formed when a known affix is added to a known word (e.g., *agreeable/disagreeable, comfortable/uncomfortable, cool/precool, heat/preheat*).

4th Grade - L.4.4 - Determine or clarify the meaning of unknown and multiple-meaning words and phrases based on grade 4 reading and content, choosing flexibly from a range of strategies.

Happy Teaching!

Matching Bam! Prefix/Suffix Game #2

(for 2-4 players)

Directions: This game is played similarly to Memory. Shuffle the cards and place all cards on a table, face down. On your turn, flip over 2 cards and read them both out loud. If the word and meaning match, keep both cards and have another turn. If the cards are not a match, both cards are turned face down again and the turn is over. When a "Bam!" card is turned over, the player ends their turn and keeps the "Bam!" card. Play continues until all cards have been pulled. The winner has the most cards.
