# Shake it Up! cards

branch	watch	chip
chop	shell	shop
crash	wash	that
thumb	think	bath
white	whale	when
whisper	photo	graph
trophy	phone	quick
sock	block	black

Cut these words apart and add to colored rice in a plastic bottle with a lid. Students have to "Shake it Up!" and record the words on the next page.

\*\*\*To make colored rice, add several drops of food coloring and 1 or 2 teaspoons of rubbing alcohol into a plastic ziplock bag. Add 1 cup uncooked rice, and shake until color is uniform. Add additional drops of food coloring to the bag until you get the color you want. Spread the rice on a sheet of wax paper or newspaper and allow to dry overnight. A typical plastic water bottle uses 1 ½ cups rice.
