

Triple-Glazed Stepped Skylight Warranty Notice

IMPORTANT WARRANTY NOTICE

Failure to follow the below guidelines may damage your skylight and will void your warranty.

Please ensure the silicone used when installing your rooflight is low modulus.

We suggest three products listed below with their relevant product details.

The silicone should be applied on the top edge of the rebate, ensure that enough is applied so that there are no gaps when the unit is fitted into the rebate.

Silicone Recommendations:

Screwfix | Product code: 62431

Toolstation | Product code: 59121

www.trulypvc.co.uk | Soudal LMN Low Modulus Silicone

PLEASE NOTE: Failure to use the above recommendations or any similar good quality **LOW MODULUS SILICONE** may cause thermal breakdown of the unit and will **INVALIDATE ANY WARRANTY CLAIMS.**
