### APPLICATIONS

- Suitable for interior applications on painted walls, plaster, MDF and many other hard to stick surfaces such as wallart graphics, custom wallpapers and wall murals.
- Can be removed easily with a 99% guarantee the surface will be residue free and can be repositioned multiple times.

PROPERTY	TYPICAL VALUE
Surface Finish	Fabric texture, matt
Weight	250gsm
Suitability	Interior use only
Vinyl Construction	Polyester fabric
Adhesive Type	Acrylic (light grey, removable)
Liner	Kraft coated paper
Shelf Life	2-3 years stored in original packaging at moderate temperature and humidity

**Durability:** Recommended for interior use only.

**Application and Suitability:** Not recommended for brick, non-painted cement surfaces or heavy painted spackled wall board. Avoid over-heating on UV and UV curable printers as over-heating may alter the tack performance of the adhesive. Allow 40-days on newly painted surfaces for out-gassing, otherwise bubbles may develop. The purchaser and end-user shall be responsible for conducting adhesion and removability suitability testing prior to application.

**Important Notice:**

Technical data is based on information we believe to be reliable; however, such information does not constitute a warranty. The purchaser should carefully consider the suitability of WALLART for each intended use and the purchaser shall assume all risks regarding each use.
