BROKEN RIB REVERSIBLE HAT & COWL

EP76

A super bulky, super quick knit to keep you warm on the coldest of days. If you weave in your ends neatly, both items will be completely reversible – offering two different textures! We recommend you knit the hat first, as it takes less than one ball of either yarn.

BROKEN RIB PATTERN

R1: Knit

R2: (K1, P1) to end of row

INSTRUCTIONS

HAT

C/O 48 stitches.

Join to work in the round, being careful not to twist the stitches.

Round 1: Knit

Round 2: * k1/P1*, repeat to the end of the round.
Repeat Round 1 and 2 until your work measures 9", ending with round 2.

DECREASE ROUNDS

Note: change to either a 9" 9 mm circular needle or 9mm double points as required.

Round 1: *K6, K2tog*, repeat to end of round. (42 sts)

Round 2: *K5, K2tog*, repeat to end of round. (36 sts)

Round 3: *K4, K2tog*, repeat to end of round. (30 sts)

Round 4: *K3, K2tog*, repeat to end of round. (24 sts)

Round 5: *K2, K2tog*, repeat to end of round. (18 sts)

Round 6: *K1, K2tog*, repeat to end of round. (6 sts)

Round 7: *K2tog*, repeat to end of round.

Cut yarn, leaving and 8" tail.

Thread tail through remaining 6 stitches and pull tight, weave in end. If you are careful and weave in the ends neatly, the hat may be worn with either side out. Fold hat up to the desired cuff length.

COWL

Using either 16" 9mm circular needle or 14" 9 mm straight needles, working in rows.

C/O 30 stitches

Row 1: K

Row 2: (K1, P1) to the end of the row.

Repeat the above two rows until work measures approximately 35", ending with Row 2.

Cast off using cable cast off method.

Fold ends of work over each other in whatever way pleases you and place one button on each side of the work and sew them together through work. Repeat with your next two buttons.
