## The green way to sip beverages

Eco-friendly straws are a wonderful alternative to traditional plastic straws. CiboWares has paper and PLA straws available so customers can sip floats, milkshakes, smoothies, and other thick beverages with ease! These straws are available in jumbo and giant sizes and are available paper wrapped or unwrapped. Paper wrapped styles are a great option for takeout locations as they keep straws sanitary prior to use.

Paper straws are made from paper materials and feature a design that has a similar look and feel to traditional plastic straws! PLA straws are made from sustainable corn-based plastic resources and are BPI certified compostable in commercial composting facilities. Durable, they meet the ASTM D6400 for composting.
