PROTECTIVE WEAR CATALOG

CiboWares.com

Offers quality protection

Safety is the most important part of the workplace. Make sure your employees are properly protected with CiboWares selection of protective wear. Sturdy and durable, these products are up to any task.

Protect clothing against dust and messy spills and splashes with CiboWares **aprons**. Waterproof, polyethylene aprons have extra long ties to accommodate a variety of sizes and ensure the apron stays in place while in use. Polypropylene aprons offer excellent protection against dirt and dust and feature a lightweight, yet durable design.

Perfect for keeping users arms dry and protected, these **arm guards** offer great protection against water, organic solvents, and light chemicals.

Protect against airborne diseases, dust, and dirt particulates with **face masks**. These masks feature ear loop protection and have a high rate for particulate filtration efficiency.

Waterproof, **polyethylene gowns** are the ideal choice for healthcare facilities to protect employees from accidental spills or splashes of harmful chemicals. They do not feature a breathable design, and have thumb loops to ensure the gowns stay in place during use. Polypropylene gowns are ideal for use in drier, non-toxic environments and feature a lightweight, breathable design to allow for maximum comfort.

Protect clothing in non-toxic, dry environments with white poly pro **lab coats**. Comfortable, they are great for extended wear and are made from lightweight and breathable material.

Protect employees shoes from harmful substances or slippery work environments with **shoe covers**. Convenient, they allow employees to wear their own shoes in the workplace and help prevent dirt and bacteria from contaminating surfaces.
