Folded Take-Out Boxes

Great for lunches, entrées or desserts to go

Made with poly-coated interiors, these containers are not only leak- and grease-resistant, but are strong enough to hold heavy foods, sauces and gravies. These cut-resistant boxes open wide to allow easy access to food, while closing tight to keep both hot and cold food fresh. With the convenient one-piece design, no assembly or lid inventory is required.

Hinged Lid Containers

These containers have lids attached and are sure to make packaging food items a snap

Hinged containers are available in a variety of styles such as lunch box, clamshells, and 3 compartments. Made from bagasse (sugarcane) materials, they are ideal for packaging sandwiches, salads, hamburgers, entrées, desserts, and more. They are compostable and eco-friendly and can withstand heat up to 212 degrees F. Durable, these containers are also freezer and microwave safe for maximum convenience. PLA-lined containers are available as well and are perfect for handling hot and greasy foods, as well as helps stop contents from leaking.

Corrugated Take-Out and Catering Boxes

Designed to make your travelling, serving and cleanup as easy as possible

The corrugated cardboard makes them durable and able to handle heavy dishes. The large size of these catering boxes makes them ideal for catering events with family style meals and multiple food items within the same box such as pastas and salads. Being recyclable makes disposing of these catering boxes a snap, as they can be disposed of with food waste or other cardboard recycling.

Our kraft corrugated handle carrying boxes are a reliable option for caterers delivering large quantities of food to events. Able to hold up to 65 lbs of stacked pans and containers, they are reusable and made from recyclable materials.

Pizza Stackers & Slice Holder

How to guarantee picture perfect pizza

Uniquely designed, these little tools make a big difference! Say goodbye to customer complaints; these small but effective pizza stackers prevent cheese and toppings from sticking to the top of the box. Transporting large orders is easier, as our pizza tripods and stackers let you stack pizzas without concern. They are made from premium grade plastic, can withstand high temperatures and are safe to use.

Serve hot pizza slices in a convenient and hygienic manner with these pizza slice holders. These holders make it easier for restaurant staff to serve single slices of pizza, and are made from durable laminated paperboard. They prevent servers and customers from touching hot pizza slices and help protect clothing while eating or serving pizza.

CiboWares poly take-out bags are essential for restaurants, food trucks, diners or any business that offers take-out. Able to withstand heavier loads, they are guaranteed to keep orders neat and ready to deliver.

Multilingual Take-Out Bags

- Supports a variety of take-out needs from small single take-out boxes up to 2 full size steam pans for catering
- Large flat bottom designed to allow containers to sit flat for extra stability during transit
- Made from high density polyethylene (HDPE), higher heat threshold compared to low-density polyethylene (LDPE)
- Can be ordered as die cut or rigid handle shopping bags, t-shirt bags or wave top bags
