

LIGHTING CREATOR

POSTS, ORNAMENTS & ACCESSORIES

A light, a world of possibilities

PREFABRICATED JUNCTION BASES APPROVED BY HYDRO-QUÉBEC

SNOC poles are compatible with Hydro-Quebec approved multi-service cabinets and underground bases and are used by a growing number of municipalities.

WARRANTIES

- Lifetime warranty on extruded and cast aluminum components.
- 5 years warranty against paint peeling for aluminum posts and 1 year for steel posts.

Posts, Ornaments and Accessories

CHARACTERISTICS OF THE POSTS

- Extruded or cast aluminum shafts, some posts are available in steel.
- Cast aluminum base covers and decorative transitions.
- Increased wall thickness for taller posts to minimize swaying in high winds.
- Standard or custom access doors, templates and anchor bolts.
- Requires 4 bolts, 3/4-10, 18"
