

Eberhard&Co. – A very fine and rare stainless steel Scafograf 400

The Scafograf series was created in the 1950s starting from its 100, 200 and 300 models. Reference 26028 houses the caliber Eberhard 250-123, features a Bakelite Bezel and its famous hands shape. By all means a true icon of men's diver watch, Eberhard Scafograf 400 is a historical timepiece which is highly appreciated by all collectors. The stainless steel case remains in great condition as well as the bakelite bezel. The present watch is everything that a vintage collector would love - the classic Scafograf's hands, lovely, warm patina and utilitarian stainless steel case.

Coming with its original Gay Frères bracelet, this professional tool watch is the perfect piece for collectors who wish to enter the world of vintage timepieces.

CONDITION REPORT

MOVEMENT: is running* at the time of cataloguing, calendar complication sets the date correctly.

CASE: the stainless steel case is preserved in excellent condition. There are light signs of wear visible with the naked eye, such as fine scuffs and scratches. Visible damages on the right edge of the case at 8 and 10 o'clock. Original Eberhard crown smoothly screws in. The original Gay Frères stainless steel bracelet remains in excellent condition with minor scuffs. Crystal presents a minor scratch at 11 o'clock and bakelite bezel has very light sign of wear.

DIAL: The original dial is in superlative condition and features homogeneous patina. Original tritium has aged delicately on indexes and original hands and matches in tone.

*Please note that the movement has not been tested for the accuracy of time and may need a service at the buyer's expense. Vintage Watch Leader guarantees 1 month working of the movement and we do not guarantee the authenticity of any individual component parts since subsequent repairs and restoration work may have resulted in the replacement of original parts.

The watch is sold in the condition it is in at the time of sale. The online condition report is provided to assist you with assessing the condition of the watch and is for guidance purposes only. The images of the watch also form part of the online condition report for the watch provided by Vintage Watch Leader. Any reference to condition in the online condition report does not amount to a full description of condition. The online condition report may make reference to particular imperfections of the watch but you should note that the watch may have other faults not expressly referred to in the online condition report of the watch or shown in the online images of the watch.

(for example, the online condition report may not specify mechanical replacements or imperfections to the movement, case, dial, pendulum, separate base(s) or dome). Watches in water-resistant cases have been opened to examine movements but no warranties are made that the watches are currently water-resistant. The online condition report may not refer to all faults, restoration, alteration or adaptation but rather the online condition report is a statement of subjective, qualified opinion (for example, information regarding colour, clarity and weight of gemstones are statements of opinion only and not statements of fact). In addition, certain images of the watch provided online may not accurately reflect the actual condition of the watch (for example, the online images may represent colours and shades which are different to the watch's actual colour and shades). For these reasons, the online condition report is not an alternative to taking your own professional advice regarding the condition of the watch. NOTWITHSTANDING THIS ONLINE CONDITION REPORT OR ANY DISCUSSIONS CONCERNING A WATCH, ALL WATCHES ARE OFFERED AND SOLD "AS IS" IN ACCORDANCE WITH THE CONDITIONS OF SALE/BUSINESS APPLICABLE TO THE RESPECTIVE SALE.
