TRUCK BAR MOBILE BAR SERIES

Introducing our Truck Bar, a previous support vehicle it has been fully converted into a bespoke bar offering 10 keg lines and a full service bar to bring a little bit of Wild to your event.

The Truck Bar has been busy already, showcasing at the Cheltenham Food and Drink Festival, Valley Fest and private functions. The striking truck can be customised to fit any occasion and can feature bespoke branding solutions and a curated drinks offer to cater for your event needs.

The truck contains everything you need for set up including an opening hatch, fold down walk way and steps. Inside boasts rustic wooden surfaces and state of the art flow controlled taps providing the perfect pour. Easy to transport, the 25 foot beauty will make an impact in any setting and comes complete with a supporting chiller van to offer an extensive back of house.
