

# DIY Halloween Mask

Unleash the Ghostly Genius Within: Color, Stick, Cut, and Transform into a spooky masterpiece!

# Ghosts and Pumpkins : A Halloween Tic-Tac-Toe

**Instructions:** Be the first to get three of your symbols (pumpkins or ghosts - see next page) in a row, horizontally, vertically, or diagonally to Win the Spooky Game.

## How to Play:

1. Cut out the pumpkin and ghost cards
2. Decide who goes first and pick your symbol (pumpkin or ghost)
3. Take turns placing your symbols on empty spaces.
4. Get three symbols in a row to win.

# Game: Haunted Quest

4+  
Years

**Instructions:** You will need 2+ game pawns depending on the number of players to play this game. Print the board game template (see next page).

## How to Play:

1. Place the pawns at the starting line.
2. The game is divided into 13 rounds. When the game begins, take your pawn and jump to the first block.
3. Read the task on the block carefully and rush to finish it before your opponents.
4. As soon as you finish the task successfully, move to the next block and repeat the process.
5. First player to finish all 13 tasks and reach the finish line, wins the haunted quest!
6. Complete the tasks in one day.

## Tasks

1. Find something orange in color 	2. Imitate a ghost 	3. Carve a spooky face on small pumpkin 	4. Find 3 different colored leaves 
5. Spooky Sound or Song 	6. Find a Witch's Broom 	7. Make scary faces 	8. Draw a jack-o'-lantern 
9. Create a simple Halloween-themed drawing 	10. Create and share a Halloween riddle 	11. Create a costume with something you have around 	12. Trick or Treat!
