Build a snowman!

1. Color and cut the pieces below
2. Glue them together to build your very own snowman
3. You can even place it on some construction paper to add a fun colorful background!

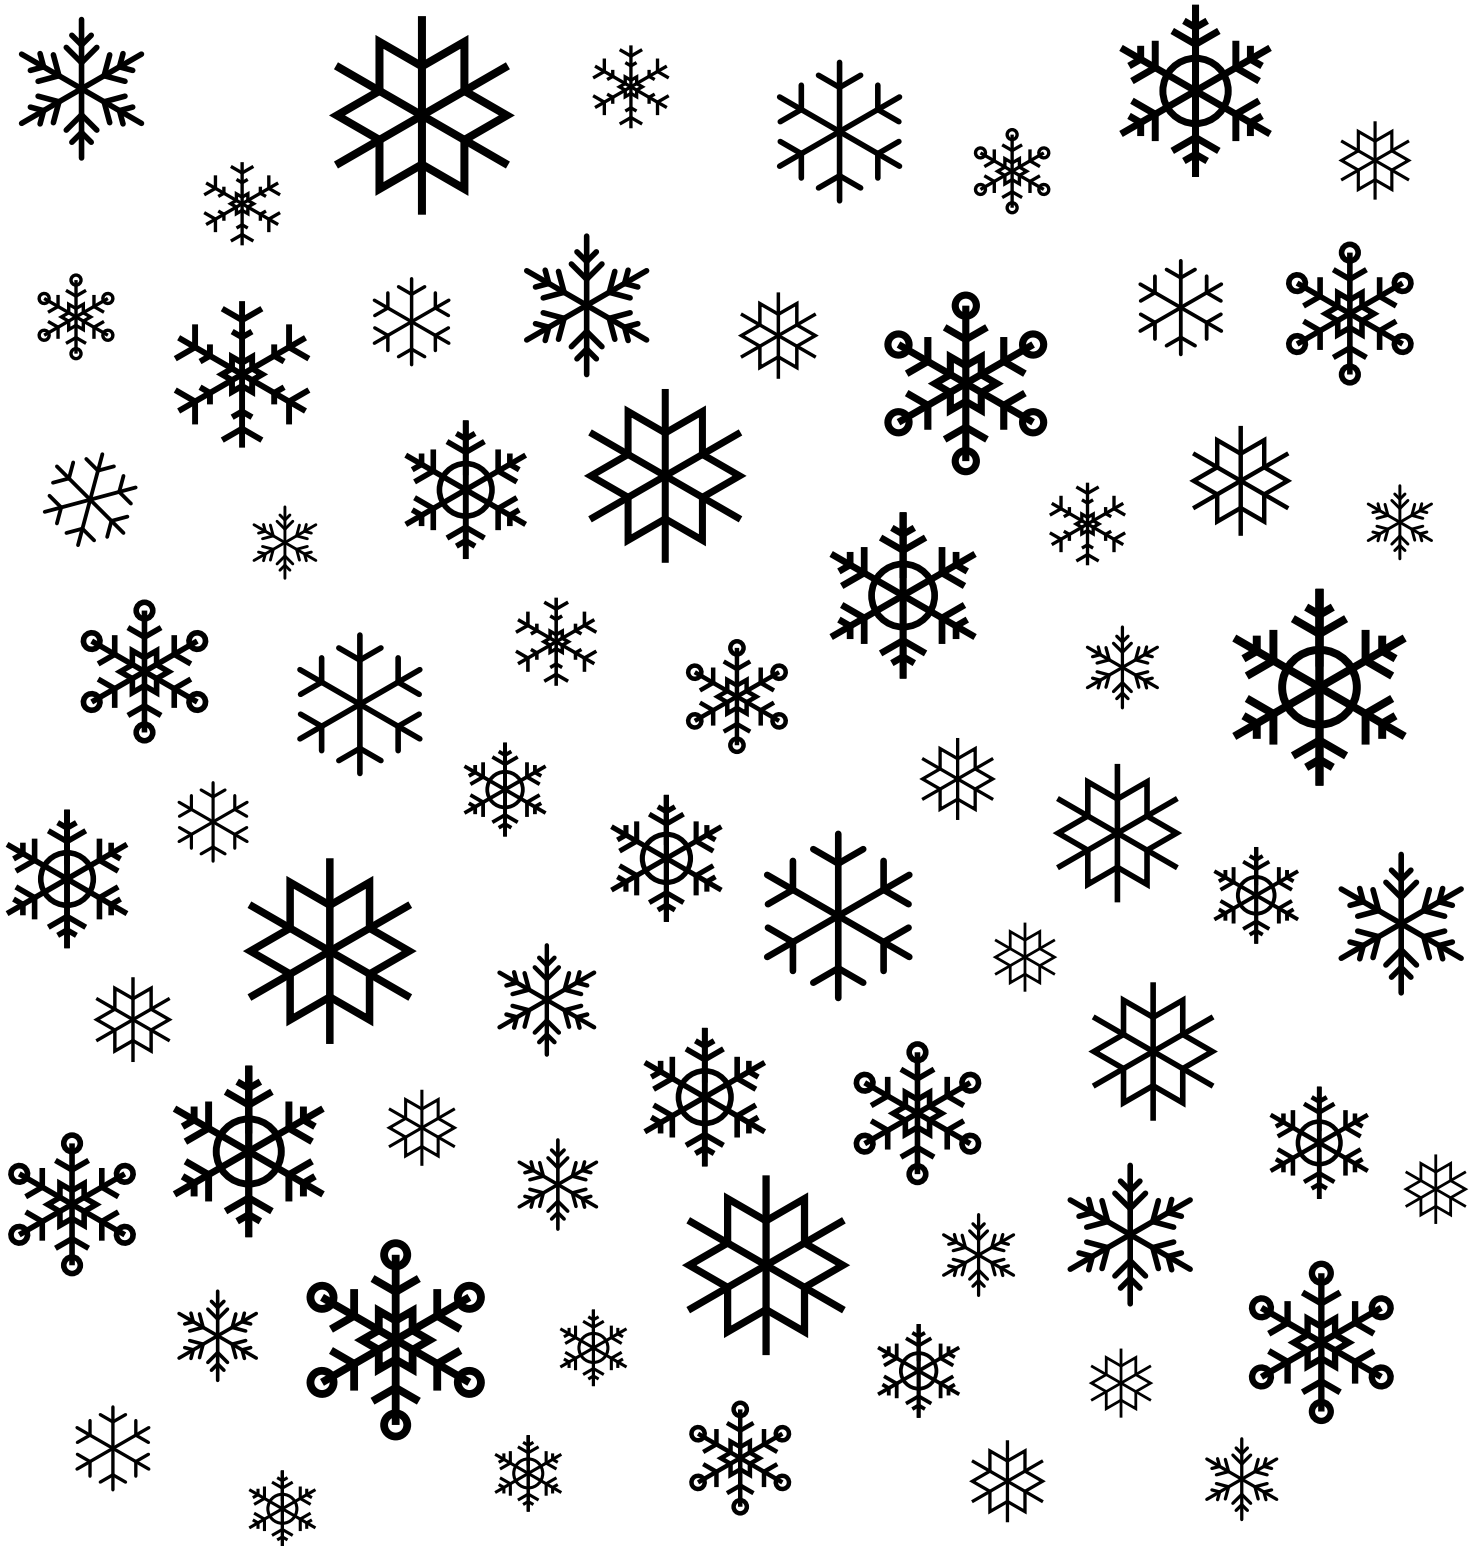

Trace the hat

Trace the lines of the winter hat and color it with your favorite colors!

I spy snowflakes

Count the number of times each snowflake appears and fill in the blanks at the bottom of the page with the correct number.

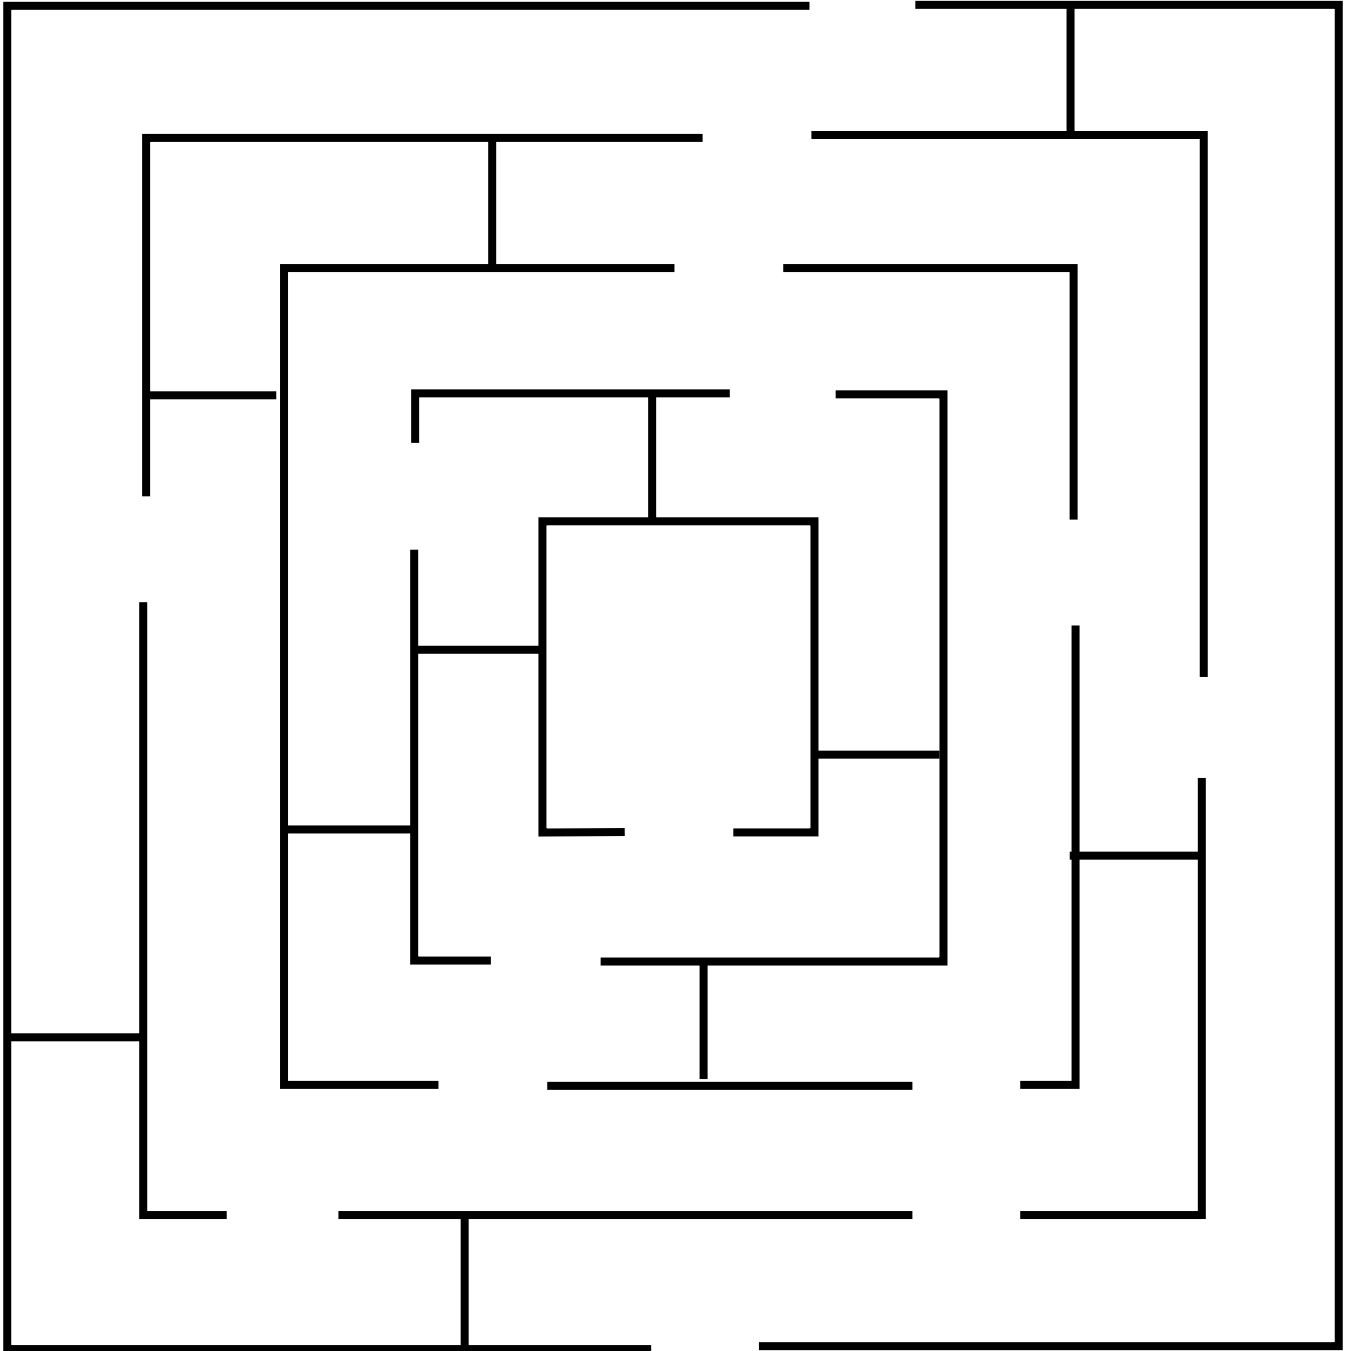

Solve the maze!

Help this hockey player skate his way through the maze and get to the trophy! Trace the path with a pencil to solve the maze.

Cocoa Cup Coloring

Read aloud the different colors labeled on the cocoa mugs and use your colored pens to color the mugs accordingly.
