Aco Waterproof

Aco at your Fingertips

Apache Series

Provides high image quality with 64 physical channels in real-time for physicians to diagnose, treat, and care for patients anytime and anywhere.

It is designed for medical professionals to easily access with a variety of compatible mobile devices and tablets to enhance portability and efficiency in daily workflows.

fico Wireless

- Pocket-sized
- Immediate Diagnostic Results
- Connect anytime, Scan anywhere.

fico Smart

- Easy workflows with auto measurements.
- Multiple scan modes to meet your clinical needs.
- Compatible with Android and iOS systems.

Android

iOS

fico Proof

- IP67/IP68 rated makes disinfection easy and worry-free.
- Reliability meets ruggedness MIL-STD-810 standards.

Light & Compact

Optimal Grip Ability

Simple Workflow

- Wi-Fi Direct
- Image Measurements
- Cine-Loop Advancements
- Multi-Probe Versatility

Optimal Grip Ability

Seamless in all directions

Multifunctional

- Patient Management
- Probe Management
- Hospital Mode
- Modality Worklist

Special Algorithm

- Needle Enhancement
- Voice Control
- Auto Trace Measurement
- IMT Measurement
- Remote Export

Exceptional Image Quality

- 128 Element Transducer
- 64 Physical Channels
- Patented Micro-Beamforming

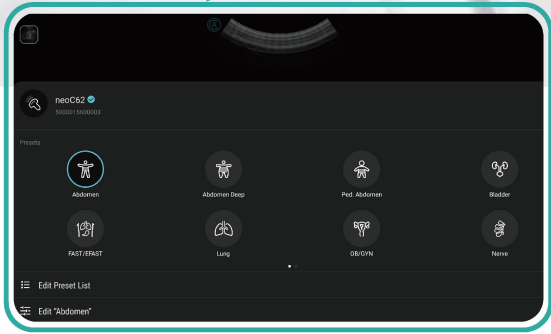

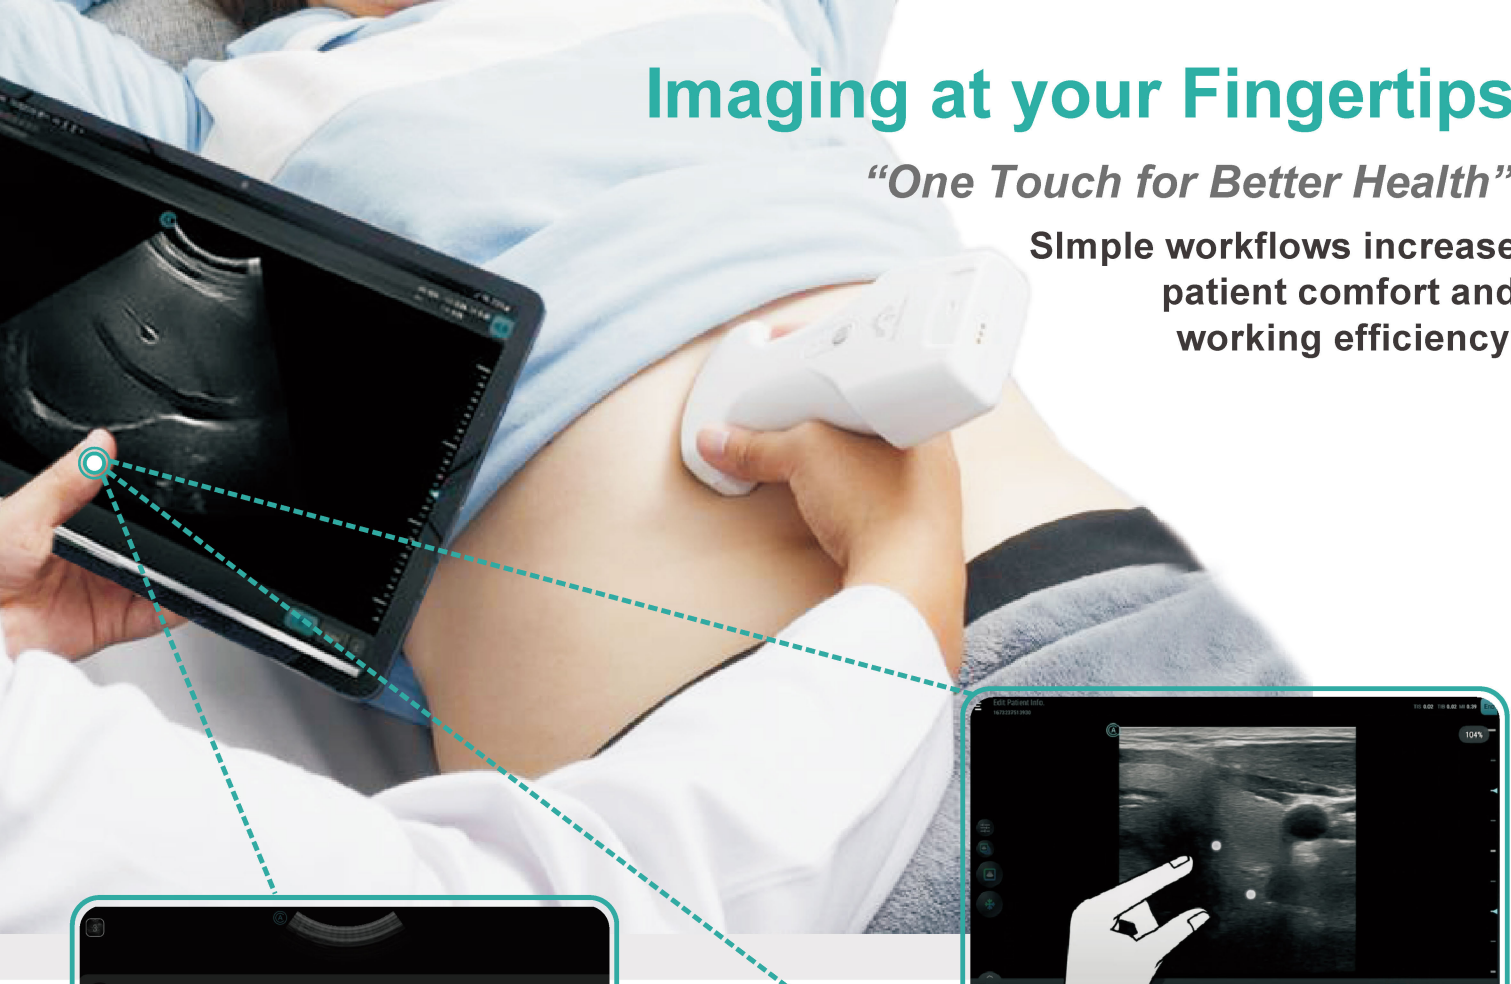

Handheld Ultrasound Solution

- Customizations
- Software Integrations
- System Integrations

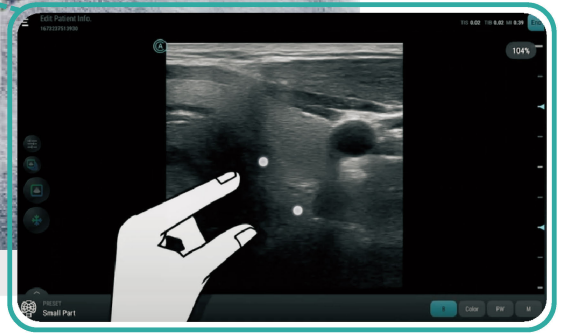

Imaging at your Fingertips

“One Touch for Better Health”

Simple workflows increase patient comfort and working efficiency.
