Seek & we will find

ABOUT US

In 2020, at the most chaotic time on earth, Harpazo started with a mission to spread a message to the world!

HARPAZO is a Greek verb means snatch away or caught up (by force). The verb is taken out of context from the Bible: I Thessalonians 4:17 NKJV.

It seems fanciful, even crazy, to believe that such an amazing event could actually happen! But we, at HARPAZO, believe that for those who keep pressing on, will see wonderful things happen!

The core belief of HARPAZO is to take our ordinary daily lives with this firm attitude and to live our lives with great expectation!

Isn't life a gamble sometimes? You always have to make a choice. Which side do you want to bet on? Choosing to believe what seems like crazy? Or do you choose to let the world define you?

Is there any better choice than insist on believing?

Seek and you will find - your answer and the blessed hope.

It's not only a home fragrance, it is a piece of ART. Our floral visual is a carefully thought out process, each design is unique and manually placed into the high quality glass for the pleasure of the eyes.

Our fragrance oil is sourced from Europe and our solvent is from Japan.

Special formulation with Phytoncides

Do you notice the faint scent of uplifting freshness when you walk into the forest? This refreshing aroma is PHYTONCIDES - a substance secreted by trees and plants in order to resist pathogenic bacteria and pests. It is the forest's natural immune booster.

Extensive research showed that phytoncide has the effects of deodorizing, air purifying and pressure relieving.

PHYTONCIDES—a natural plant extract added to strengthen our formulation's antibacterial, air-purifying and anti-stress effect.

ORANGE BLOSSOM

Floral

Top: Bergamot, Honeysuckle
Middle: Nerol, Orange
Base: Iris Wood

In the garden oasis, sparkling citrus blossoms send fresh winds, and bright orange blossoms emit a dazzling fragrance, interweaving the powdery wood fragrance of iris wood, adding a delicate and softness to the aroma.

SECRET WORDS OF FLOWER

Floral

Top: Mint, Blackcurrant
Middle: Rose, Carnation
Base: Vetiver, Shellfish

It is not a sweet floral note, it is a kind of powder glutinous sticky note, it is strong and fresh, the combination of mint and rose makes the rose taste less sweet, giving a little more sense of surprise. The aftertaste of the scent becomes very understated, and the faint grassy scent blends in properly.

SOLOMON'S GARDEN

Floral fruity

Top: Grapefruit, Tomato Leaf, Mango
Middle: Lotus, Hyacinth, Peony, Iris
Base: Rosewood, Labdanum

There is a fresh taste mixed with young buds and pulp, hidden crisp green, the fragrance of grapefruit, overflowing with fresh fruity aromas, followed by the water lotus, it's a soft whisper of low-key floral fragrance, between hyacinth and peony flowers, adding a slightly bitterness of rosewood. Can you imagine?

**PROVENCE DE

Middle : Sage, Cedar, Old Stork Grass
Base : Tonka Bean, Oak Moss

Looking at the endless Provence lavender fields, a woody earthy scent blended with sage, bringing you the comfort and calm you need. A hiding place to relax from the hectic world.

MY MAJESTY

Base : Orange blossom, Wild berries, Strawberry

Rich and sweet fruit aroma, mixed with fermented wine tannins, intoxicating and addicting.

WESTLAKE LONGKONG

Fresh

Top: Longjing, Green Tea
 Middle: Jasmine
 Base: Tonka Bean, Sandalwood

Extract of natural Longjing green tea essential oil, emitting a delicate and moist aroma, mellow and long, like walking into a tea garden, surrounded with the clouds and mist, like as a dream. So refreshing, let the world sink and float into the Zen space.

OSMANTHUS OOLONG

Floral

Top: Sweet Orange, Tangerine, Oolong Tea
 Middle: Osmanthus, Freesia
 Base: Leather, Sandalwood, Apricot

A clear osmanthus fragrance comes to the face, turn to a sniff, the tea fragrance is fresh, cold and clean, the tail note falls on the apricot and sandalwood, implicitly neutral, like sitting under the osmanthus tree in autumn, drinking an osmanthus oolong, leisurely and refreshing.

JASMINE OOLONG

Fresh

Top: Almonds, grapefruit
 Middle: Jasmine, tea
 Base: Musk, amber

The morning dew is soaked in jasmine, the breeze blows the fragrance of oolong tea, the tea vapor is green and astringent, and the fragrance of flowers is elegant, blending in the smell ladder, like walking in the grass after a rain shower.

FOREST FIG TREE

Fruity

Top : Pine needles, orange
 Middle : Jasmine, coriander, parsley, fig
 Base: Aoki, Amber

Bright pine needles and citrus fruit notes neutralize the scent of coriander leaves, and the sweet and juicy figs bring the sense of smell into the depths of amber, fresh and sweet, full of natural and healing taste.

SANDALWOOD

Woody

Top: Pepper, Cardamom, Sandalwood
 Middle: Leather, Agarwood, Iris
 Base: Cedar, Woody, Amber, Oakmoss

Spices such as pepper, looming with iris and violets, the addition of leather and amber give people a warm and comfortable feeling, and lastly replaced by cedar and sandalwood, deep and long.

MEDITERRANEAN GARDEN

Floral

Top : Orange, bergamot, grapefruit
 Middle : Orange blossom, fig leaf
 Base : Cypress, Juniper

The astringent bitterness of the top note citrus peel and leaves, floating on the surface, the refreshing clean feeling of the bright texture, with the slight aroma of the orange blossom and the sweetness of the figs strike together, the smell becomes lively, vivid yet complicated. The tail note of cypress and juniper alternately presents themselves, definitely makes you feel surprised and happier.

COOL COTTON

Citrus

Top : Tangerine
Middle : Mimosa, cotton
Base : musk, amber

Sweat, cold and refreshing feeling, but also very comfortable and gentle, it feels like walking around wearing freshly washed clothes. Warm and clean smell.

WILD BAMBOO

The mist-shrouded bamboo forest, bathed in morning light, exhales and breathes in, wading into the energy of nature. The mountain wind shuttles through the bamboo forest, the light and shadow are mottled, the wind is sounding, the humid air, bamboo leaves, wildflowers, fruit trees, soil roots and ferns... Layered, naturally fresh, pure and transparent, a fresh comfort to the soul.

THE CLOUD OF THE BLESSED HOPE

Special edition with the new cap of "The Cloud of the Blessed Hope "

SEEK AND YOU WILL FIND

“ENJOY THE VANITY” COLLECTION

“ENJOY THE VANITY” COLLECTION IS INSPIRED BY THE BOOK OF ECCLESIASTES WRITTEN BY KING SOLOMON, THE WORDS OF THE PREACHER.

“VANITY OF VANITIES, ALL IS VANITY”

“ONE GENERATION PASSES AWAY AND ANOTHER GENERATION COMES; BUT THE EARTH ABIDES FOREVER.”

“AND THERE IS NOTHING NEW UNDER THE SUN”

“THERE IS NO REMEMBRANCE OF THE FORMER THINGS, NOR WILL THERE BE ANY REMEMBRANCE OF THE THINGS THAT ARE TO COME BY THOSE WHO WILL COME AFTER.”

THE PREACHER POINTED OUT THE VANITY, OR MEANINGLESSNESS, OF HUMAN ENDEAVORS AND THE SEARCH FOR PURPOSE IN LIFE.

6 NEW SCENTED CANDLE

IF THE IDEA THAT EVERYTHING IS “VANITY” AND THAT DESPITE ALL OUR EFFORTS, WE WILL ULTIMATELY DIE AND BE FORGOTTEN, SO, WHAT IS LEFT OF LIFE ? THE ANSWER LIES IN SIMPLY ENJOYING THE MOMENT, ENJOYING YOUR FAMILY, ENJOYING YOUR LOVE ONES, TAKING THE CHANCE, DOING YOUR WORK, AND EAT & DRINK.

THE BOOK REVEALS THAT GOD PUT ETERNITY IN OUR HEARTS SO THAT WE KEEP SEARCHING AND SEARCHING. WE ARE NOT ABLE TO SETTLE UNTIL WE FIND HIM. IT EMPHASIZES THE IMPORTANCE OF FEARING GOD AND KEEPING HIS COMMANDMENTS AS THE FINAL JUDEMENT IS INEVITABLE.

“THE OLDER YOU GET THE MORE YOU REALIZE HOW PRECIOUS LIFE IS. YOU HAVE NO DESIRE FOR DRAMA, CONFLICT OR STRESS. YOU JUST WANT GOOD FRIENDS, A COZY HOME, FOOD ON THE TABLE, AND PEOPLE WHO MAKE YOU HAPPY”

The mysterious power of perfume.

A French perfumer once said:

If scent is words, then perfume is literature.

Have you ever smelled a scent on the road and can't help but turn around to find where the scent is coming from?

You may not be able to remember what a person said, but the smell of him or her can linger in your mind. Smell also plays an important role in love. The scent of a person directly affects whether you like him or not.

Before we fall in love with someone, try put on your favorite fragrance and you will fall in love with yourself.

Seek, and you will find your power.

... look forward to us, if the grave were the last word. Since Jesus died and broke loose from the grave, God will most certainly bring back to life those who died in Jesus. And then this: We can tell you with complete confidence—we have the Master's word on it—that when the Master comes again to get us, those of us who are still alive will not get a jump on the dead and leave them behind. In actual fact, they'll be ahead of us. The Master himself will give the command. Angels' heralds! God's fastest blast! He'll come down from heaven and the dead in Christ will rise—they'll go first. Then the rest of us who are still alive at the time will be caught up with them into the clouds to meet the Master. Oh, we'll be

A message from the founder

The world is accelerating and it feels like even time is accelerating too.

Sometimes, I worry if I ever have enough time to get things done, and then when I think of time, after a hundred years, thousand years, all will be forgotten, all will be gone. What is so important about getting things done then? Or even about anything?

What is the essence of importance of everything over time? And I found it. It is love expressed in service, in words, in arts, in music, in products, in life and in death. No matter what happens on earth, we hold on to something much bigger - love.

With great anticipation, I have everything already created in my mind and the eagerness to bring them into reality.

To share the message of Harpazo in all that we can touch, we can see, we can use, we can smell....even though we will all disappear one day.
