## Step 1:

Create longer poles by connecting the following poles together, using the 2-way connectors:

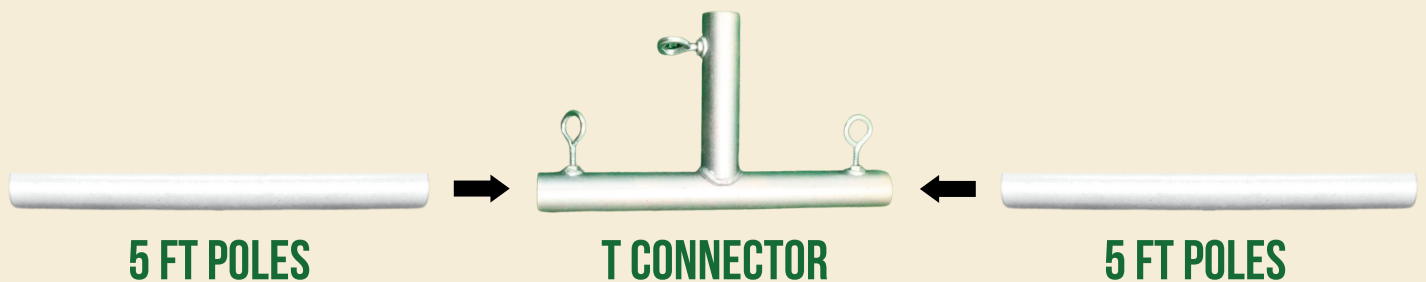

Connect 16- 4 ft poles, with 2 way connectors, to create 8- 8 ft poles.

Connect 4- 5 ft poles, with 2 way connectors, to create 2- 10 ft poles.

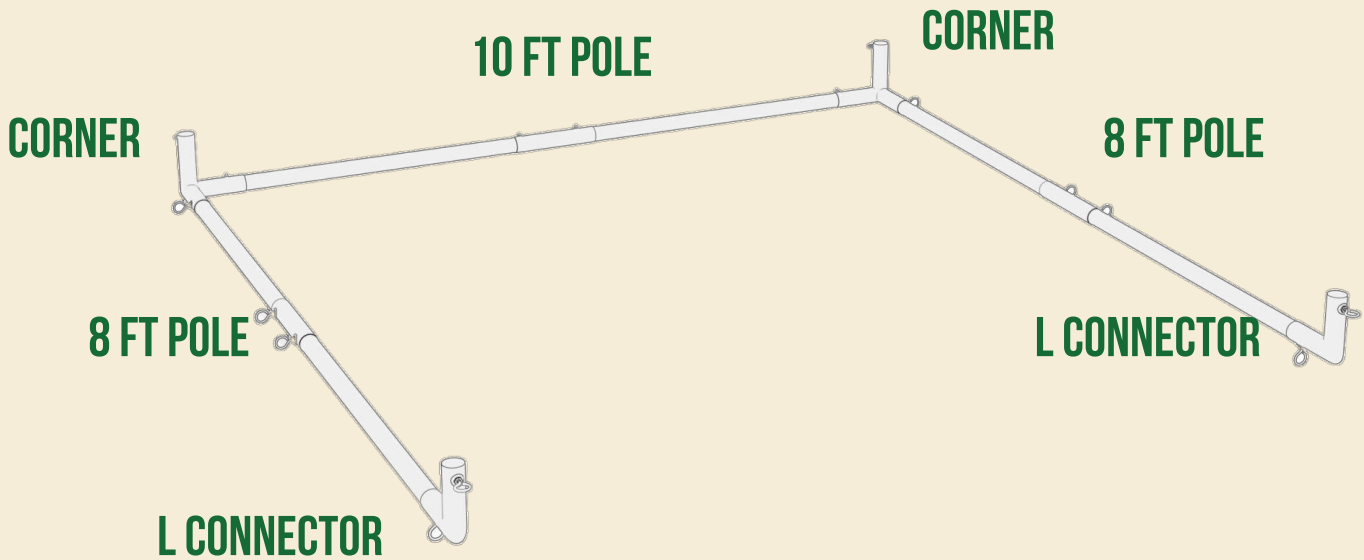

Connect 4- 5 ft poles, with T connectors, to create 2- 10 ft poles.

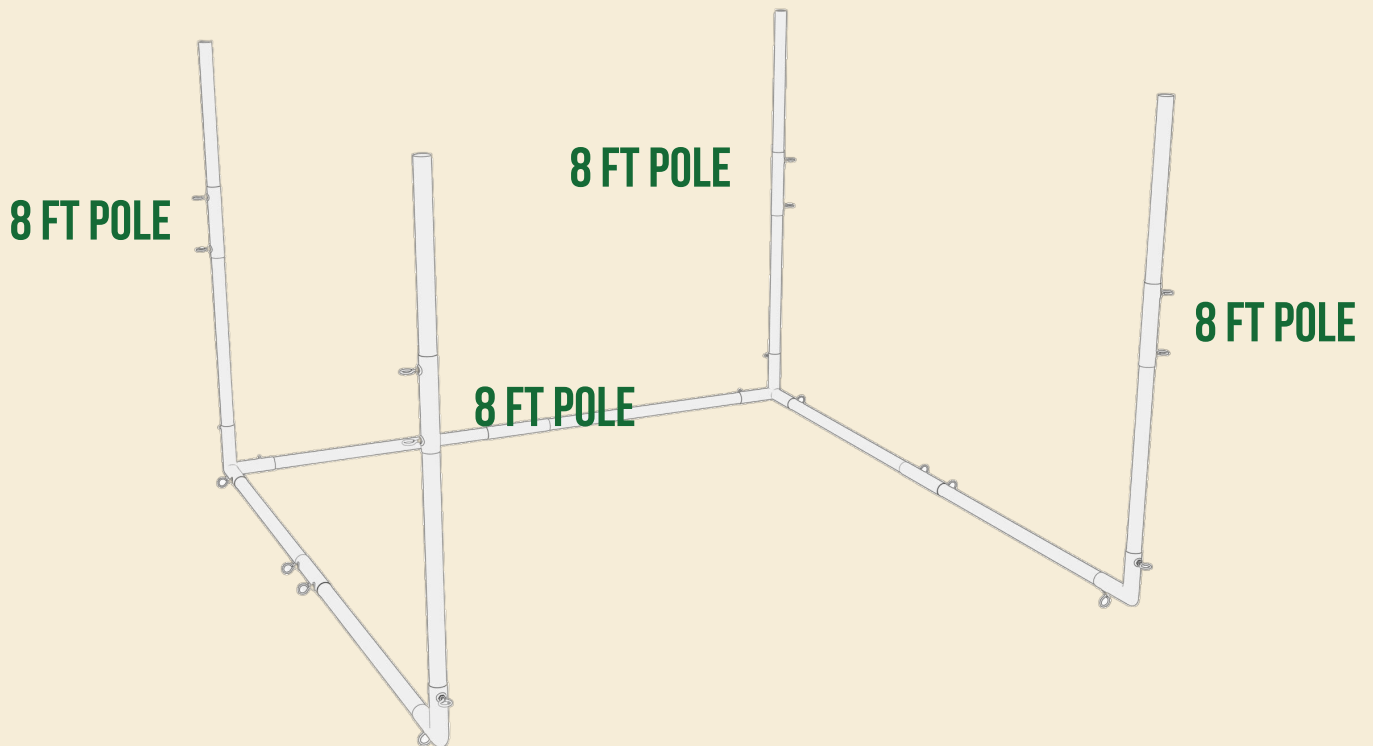

## Step 2:

Layout and connect the base of the Sukkah.

## Step 3:

Connect the vertical poles.

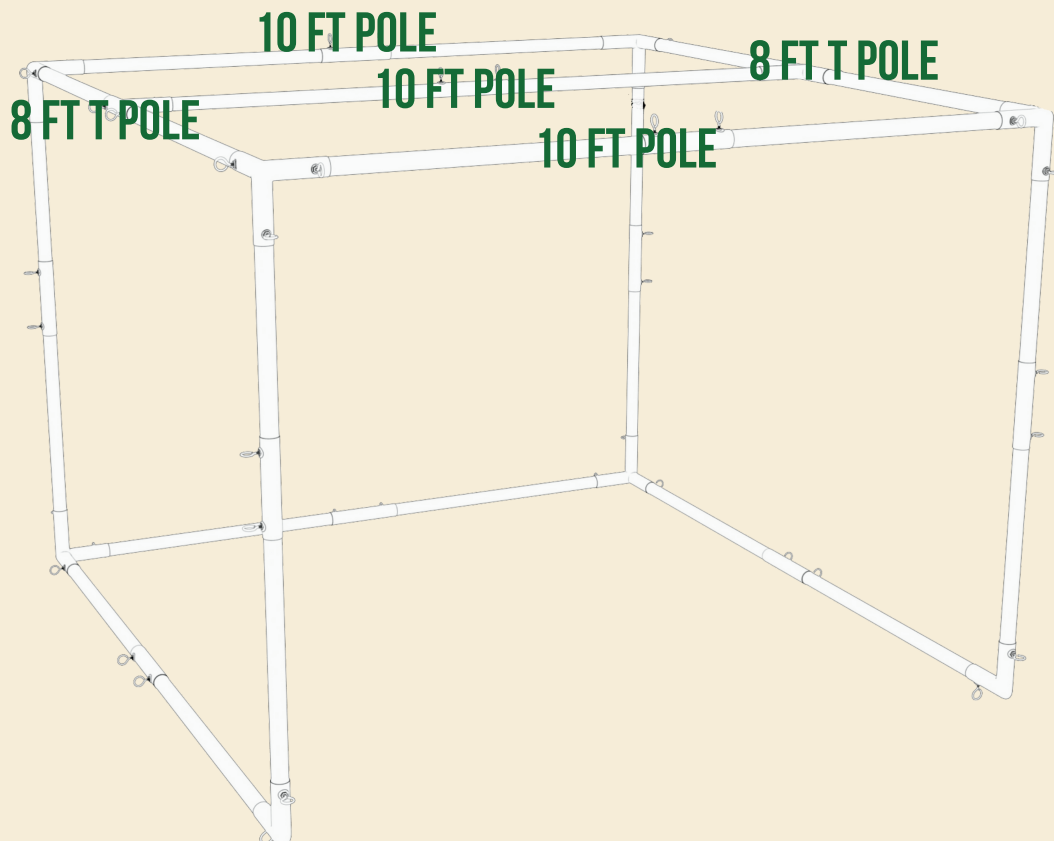

### Step 4:

Connect the 4 corners to the top of each pole.

### Step 5:

Add in the poles for the roof.

**Step 6:**  
Attach the walls with the Sukkah ties. Wrap the Sukkah ties around the frame twice for a tighter fit.

**Step 7:**  
Finally, Add the bamboo support poles and the Schach Mats.
