## ABOUT CLOUD9

---

Cloud9 was incorporated in 2008 showcasing a collection of unique & distinctive decorative pillows and curated textiles for the home. At, Cloud9 we have the privilege of working with highly skilled artisans who translate each of our painstakingly detailed designs into magnificent works of art. Through their craft we have developed a complete line of highly embellished decorative pillows and many more handcrafted unique items that are embroidered and adorned with jewels. We have recently expanded our bedding and throw line. Each piece is exquisite and uniquely hand-crafted.

In the past few years, our fashion-forward home collections have been an instant hit with our clients all over the United States, South America, Canada and Mexico and our one-of-a-kind products can be seen in the most exclusive design centers around the world. Our customer is a creative-minded individual, who wants have a unique identity, unlike the masses. They have a sense of adventure about what they put in their home, and although fashion is important to them, they are too busy enjoying life to be governed by the latest trends. To our customer, Cloud9 is a portal of discovery, a brush with what could be. It is a place where you are truly on Cloud9

## SAM & VINAY GOLCHHA

Founders, Cloud9 Design

Sam and Vinay Golchha studied the art of ancient textiles in India and graduated with a degree in Textile Design from Fashion Institute of Technology (F.I.T.), New York in the year 2000 before traveling back to India, Morocco and other faraway lands on an inspirational journey, where they discovered rich techniques and other forms of textile art and designs and those traditions inspired the creation of Cloud9. Vinay Golchha is an MBA in Finance from Rochester Institute of Technology but is the true designer behind the brand. The beauty and richness of the unique textiles, excellent craftsmanship, each made and checked by hand, wonderful form and elegance of designs are some of the distinguishing characteristics of Cloud9's extraordinary designs, inspiring thoughtful appreciation and bringing a sense of ceremony in their day-to-day use. Each of Cloud9's pieces are handmade, so no two items are exactly alike. Shop exclusively at boutique stores, retailers like Neiman Marcus and Saks 5th Avenue and many boutique home stores around the world.

# BEDDING

Free from defined structures or industry-based trends, Cloud9's bedding designs are unconventionally beautiful. Embellished with textural elements and distinguished by richly vivid color palettes and eye-catching patterns, our designs celebrates an evolved, highly nuanced sense of craft and style.
