

2023 SOX FOOTWEAR CATALOGUE

SOUTH AFRICAN HERITAGE RANGE

In celebration of Heritage month in South Africa, we've created a collection of patterns and colours that represent our diverse cultures and people.

They are however not just popular in the Rainbow Nation but you can spot them being worn all over the world.

KIDS

Our whole range is available in Small, however in 2022 we decided to make a range that would only be available in Small --that did not last very long until the adults also wanted some of these awesome quirky designs so they are available in the whole size curve as of September 2022.
