

# *How tall are your* uppercase and lowercase letters?

As a rule, uppercase letters always match the size you have selected. Lowercase letters with a stem, like "t", "g", "b", "d", "l", "p", etc, will have a heights less than the size you have selected.

Letters without a stem, like "o", "s", "a", "m", "e", etc., will have heights less than the size you have selected. If you would like more detailed information or a custom size, please email us for more information at [info@numberfix.com](mailto:info@numberfix.com)
