

Cheviot® Enameled Cast Iron Bathtub Lifetime Limited Warranty

Cheviot Products Inc. warrants its enameled cast iron bathtubs to be free of defects in material and workmanship during normal residential usage for as long as the original consumer owns their home. Cheviot Products Inc. further warrants that the enameled cast iron component of the product will not chip, crack or burn for as long as the original consumer owns their home. All other components carry Cheviot Products Inc.'s two (2) year limited warranty unless otherwise specified. Gloss reduction, scratching, staining and alkaline etching of the enamel over time due to use, cleaning practices or water or atmospheric conditions, are not manufacturing defects but are indicative of normal wear and tear. This warranty applies only to Cheviot products purchased and installed in North America.

Cheviot Products Inc. will, at its election, repair, replace, or make appropriate adjustment where Cheviot Products Inc. inspection discloses any such defects occurring in normal usage. Damage caused by accident, misuse, or abuse is not covered by this warranty. Improper care and cleaning will void the warranty. Proof of purchase (original sales receipt) must be provided to Cheviot Products Inc. with all warranty claims. Cheviot Products Inc. is not responsible for removal, installation, labor charges, or other incidental or consequential costs. In no event shall the liability of Cheviot Products Inc. exceed the purchase price of the product.

If this product is used commercially or is used outside of North America, Cheviot Products Inc. warrants the product to be free from defects in material and workmanship, will not chip, crack, or burn for ten (10) years from the date of purchase, with all other terms of this warranty applying except duration.
