Model:CM073

User Manual

Package Contents

10-in-1 Hub ×1, USB-C to C Cable ×1, Silicon Case ×1
 Thermal Pad ×1, Rubber Grommet ×2, User Manual ×1

Product Introduction

Connection Instruction

Connect PC port of hub to your PC with the accessory USB C to C data cable.

Using large power consumption devices with hub, please plug a power adapter to PD port (60W-100W), otherwise the hub may work unstably or does not work.

For HDMI function, please ensure your laptop USB-C 3.1 Gen 2/USB-C 3.2/Thunderbolt 3 port supports DisplayPort Alt Mode.
