a brand inspired by  
South America's rich heritage of  
unrivalled horsemanship and  
traditional leatherwork

pampeano means 'from La Pampa', a wild region of Argentina renowned for its stunning, panoramic views and sun-drenched estancias.

**BRAND HERITAGE**

Inspired by South America's rich heritage of unrivalled horsemanship and traditional leather work, pampeano evolved from the polo fields of central Argentina, providing teams with their colours using intricately hand-woven pampeano belts from 2008 onwards. Today, pampeano's exquisite leather goods are treasured by those that appreciate the simplicity, beauty and freedom of the South American lifestyle.

**CRAFTSMANSHIP**

pampeano remains one of the few brands with quality and craftsmanship at its heart. Continuing the cherished techniques of the South American artisans, pampeano uses only premium-grade, butter-soft, vegetable tanned leather and the finest threads available. The meticulously practised and perfected skills employed by its artisans have been passed down within their families for generations. Their hand craft is incorporated into pampeano's iconic pampa diamond, shapes inspired by the peaks and silhouettes of the Andes Mountains and the extraordinary landscapes that surround them.

# size guide: collars

To select the correct pampeano dog collar, measure your dog's existing collar up to the hole he usually wears it on. Select the pampeano collar which has the measurement to the second hole closest to your measurement.

Alternatively, measure your dog's neck and select the second hole measurement that is closest.

Collar size	Full length measurement	Measurement to 2 <sup>nd</sup> hole	Width	Breed example
<b>XXS</b>	35cm	<b>26cm</b>	1.5cm	<b>Chihuahua</b>
<b>XS</b>	40cm	<b>31cm</b>	1.5cm	<b>Jack Russell</b>
<b>S</b>	45cm	<b>36cm</b>	1.5cm	<b>Beagle</b>

<b>Wide S</b>	45cm	<b>36cm</b>	2.5cm / 6cm	<b>Lurcher, Greyhound</b>

All pampeano dog leads measure 115cm as standard.

We recommend that you purchase the skinny width (1.5cm) lead for collars XXS-S and the standard width (2.5cm) lead for collars M-XL and lurcher.
