# Pronix Portable Pressure Car Washer with 1 Year Warranty Less Water Usage 1800W PNX100

## Specifications

- Brand – Pronix
- Type – High Pressure Car Washer
- Model No. – PNX100
- Warranty – 1 Year Warranty
- Power – 1800 W
- Voltage – 220 – 240 V
- Pressure – 150 Bar
- Water Flow – 7 L / Min
- Water Range – 7 – 8 Meter
- Hose Length – 5 Meters
- Auto Cut Off – Yes
- Motor – Stable Induction Motor
- Nozzle – Pressure Controllable
- Machine Dimensions – 38 (L) x 16 (W) x 24.5 (H) cm
- Package Dimensions – 43 (L) x 23 (W) x 40 (H) cm
- Weight – 7.6 Kg

## Descriptions

- Pronix PNX100 is a high-pressure car washer designed for effective cleaning. With a power of 1800 W and a voltage range of 220–240 V, this washer delivers ample power to tackle tough dirt and grime on your vehicle. It operates at a pressure of 150 bar and has a water flow rate of 7 liters per minute, ensuring efficient cleaning performance.
- Equipped with an auto cut-off feature, the PNX100 automatically shuts off the motor when the trigger is released. This helps conserve energy and prolong the lifespan of the car washer. The stable induction motor ensures reliability and durability, even during prolonged use.
- The pressure-controllable nozzle allows you to adjust the water pressure according to your needs. Whether you're removing stubborn dirt or cleaning delicate surfaces, you can easily customize the water pressure for optimal results.
- Weighing 7.6 kg, the PNX100 is relatively lightweight and easy to handle. It offers a water range of 7–8 meters, providing flexibility during cleaning without the need for frequent movement of the washer.

## Applications

CAR WASH

BIKE WASH

GLASS CLEANING

FLOOR CLEANING

WINDOW CLEANING

DOOR CLEANING

AC CLEANING
