ADAM J KURTZ

Adam J. Kurtz (aka Adam JK) is a designer, artist, author and speaker whose illustrative work is rooted in honesty, humor and a little darkness. His books have been translated into over a dozen languages. Kurtz speaks frankly about channeling human emotion into our art, and generally just trying to be more okay with whatever we've got.

CANDYASS

Cary Leibowitz, often referred to as 'Candyass' is a neurotic and overly confident man who struggles with what came before him and what comes after—and will he ever catch up.

With the premise that "I had to be honest about whatever I was doing" Leibowitz creates bold artworks rooted in the language of confessions of anxiety, declarations of victory, communiqué from personal revolutions and punch lines of phantom jokes.
