Flooring Works Luxury AC5 Laminate represents the most leading edge laminate flooring in the Australian market when it comes to durability and waterproofing. With a superior AC5 abrasion resistance, the Flooringworks AC5 Laminate range is suitable for high traffic commercial settings and family homes alike. Furthermore, the 7 days waterproof surface means you can say goodbye to moisture or spillage worries. This range comes in a gorgeous collection of hyper realistic Aussie timber and oak designs with over 50+ unique digital printed patterns.
