Luxury Oak 12/2mm flooring consists of a veneer of a 2mm veneer of real oak timber bonded to a cross-bonded plywood core. The gorgeous timber is sourced from the finest plantations in Europe and France here only the highest grade timber with minimal defects and blemishes are hand-picked. The boards are 190mm wide and 1900 long, with less than 25% nested planks. It can be installed either as floating, with a raft size of 8 x 12m or direct stuck down with a raft size of 10m x 20m before expansion gaps.

Note: Images are for illustrative purposes and may vary slightly from the actual floorboards. It should be expected that every piece of timber varies in colour and grade. We recommend visiting a showroom or viewing larger images at: www.flooringworks.com.au
