Lion wall hanging

Print out our friendly lion then carefully cut around the thick, black line of the head.
Next grab cut some strips from a cardboard box, around 12cm x 2cm. Arrange the strips into a circular shape and stick onto the back of the Lion's head ready to hang on a wall!

We used a black marker pen to write a famly memory onto each strip to make our wall hanging even more special!

Here's one we made!

love wood & play ...
