

Paper doll crafts

Use our paper doll template to create a cute card for Mother's Day! Cut the doll out below, fold in the middle, then colour in and write inside ready to give to your mum! This template can also be used to make paper dolls chains, find out more below...

Paper Doll Chains
Get a large piece of paper (ideally A3 in size) and cut it into 3 strips horizontally, then fold like we have here:

We made one here!

Our paper dolls!

Next print template at 50% then trace half the doll onto your folded paper and ask a grown up to help you cut it out.
