IN SHAPE | IN CONTROL

SINCE 1965

HEADQUARTERS

Body Sculpture was established in the UK in 1965. Major changes to the brand arrived in 1990 when it was purchased by Solex Industries of Taiwan. Since then, under the leadership of Lane C Yang, the company has grown rapidly to become an international brand.

Body Sculpture Products are now sold in over 60 countries across 5 continents. Our global operations and distribution centre is based in a modern 75,000 m complex located in Xiamen. We offer top quality products at competitive prices.

Our R&D team is constantly developing innovative products to make sure Body Sculpture remains one of the leading brands in the fitness market. Our Lab has an up-to-date chemistry and mechanical test facility to ensure our products meet the latest European safety standards.

Body Sculpture believes in investing in people, value & innovation, and is committed to provide customers with reliable products and customer service. Body Sculpture has been selling internationally for over 40 years and these are some of the markets our products are available in.
