Tenzing Norgay 9780711285705 February 2024

Discover the life of Tenzing Norgay, one of the first two people to reach the summit of Mount Everest in 1953 alongside **New Zealander Sir Edmond Hillary**. When Tenzing was young, he spent much of his childhood tending to the family's yaks and gazing up at the Himalayan mountains, dreaming of the day he would reach the top. Once he grew up, he joined many other Sherpas who were offering to take Europeans up the highest mountain of all - Chomolungma or Everest. It was the chance he needed to make his childhood dream a reality. He went on many expeditions, some more dangerous than others, but Tenzing never gave up his dream to reach the top of the highest peak. He was 39 when he was joined by New Zealander Sir Edmund Hilary and they became the first two people to reach the summit of Chomolungma. Tenzing came back down the mountain as one of the most respected mountain climbers and a hero across the world.

Lenny Henry 9780711285408 February 2024

Ever since he was small, Lenny Henry wanted to be a comedian. At home in Dudley, England, he would pretend to be the characters he watched on TV, copying scenes from his favourite shows to entertain his six brothers and sisters. But life wasn't always easy, and at school Lenny found himself the subject of racist bullying—until he figured out a way to beat the bullies using humour. This was when he realised he had a gift: he could make people laugh. He shot to fame aged 16 and the following decades were full of great successes, such as his hugely popular TV programme *The Lenny Henry Show*. Lenny co-founded the charity *Comic Relief* in response to a terrible famine in East Africa. Over 25 years later, Lenny and the charity remain committed to creating a just world, free from poverty, and have raised millions of pounds. An actor, a comedian, an author and a champion of inclusivity, Lenny is a much-loved figure whose story encourages us to keep smiling.

Little Taylor grew up on her family's Christmas tree farm in Pennsylvania, USA. Then, at age six, she went to her first concert - she saw LeAnn Rimes, the country musician. At that moment, Taylor fell in love with country music! Some of the kids at school didn't understand but Taylor managed to shake it off! She took her first steps towards stardom by recording a demo of cover songs and sent it to record labels in Nashville, the home of country music. However, while, she enjoyed singing others songs, she knew all too well that she had to express herself in her own words. So, she started writing her own lyrics and melodies and her natural talent for putting her feelings into words shone through. Taylor is an accomplished singer-songwriter, producer, director, businesswoman and actress. She plays the guitar, piano, banjo and ukelele. Despite the obstacles in her way, Taylor has always stood up for what she believes in, and always believes in herself! This powerful book will never go out of style. It features quirky illustrations and extra facts at the back, including a biographical timeline with historical photos and a detailed profile of Taylor's life.
