## WOOD FINISHES: SUN AT SIX COLLECTION

Sun at Six works with raw, sustainably sourced solid woods, our own tenna oil, a natural finish we've developed over years from tree and nut oils, and full-grain, vegetable-tanned leathers from a family run tannery in Santa Croce, Italy. Please note that not all options are available for all pieces.

Email [info@assemblyline.co](mailto:info@assemblyline.co) for samples and questions.
