Taupe Velvet

Morel Fabric Side Chair

The Morel Side Chair is the all fabric version of the Reka Side Chair, featuring the same emphasis on contrasting width. In designing the chair, Sun at Six played with wide and narrow, thick and thin: the legs are wide and flat along one axis, thin along the other, while the seat cushion was elongated and fattened vertically. The chair was designed for comfortable multi-hour sitting sessions, and uses a slightly wider footprint and backrest for comfort. The fabric is durable, meant for daily use, and resistant to spills and stains.

Velvet, Corduroy, or Bouclé fabric

100% polyester, abrasion and stain resistant.

For more information about taking care of this piece, view our Care Guide.

Ships threshold delivery.

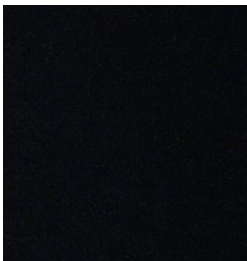

21.5"W x 21.5"D x 34"H

Seat Height 19.5", Seat Width 20", Arm Height 25"

Max. weight capacity: 225 lbs.

Ships to the continental US only.
