Amber Wood + Black Velvet

## Reka Armchair

The Reka Armchair spotlights contrasting width. The wide panels emphasize the natural grain and luminescent sheen of the Makata wood. The fabric is durable, meant for daily use, and resistant to spills and stains.

Solid Makata wood with Ivory Boucle or Black Velvet upholstery.

The tenna oil finish is resistant to spills and stains and will sustain for years with proper maintenance. The pieces have been used in a variety of hospitality settings from hotels to retail spaces. For more information about taking care of this piece, view our Care Guide.

100% polyester, abrasion and stain resistant.

Handcrafted.

Ships threshold delivery.

## Makata Finishes

Sun at Six chose to work with Makata for its incredible grain and its sustainability. Makata Wood is as hard as oak with a color and grain similar in some instances to English Walnut. Its standout characteristic is strikingly dark heartwood. The wood species also has a beautiful variety of wood grain patterns that creates a flowing variation in color tone throughout an individual plank.
