

Elegant Styling

Clinical Functionality

SelectCare™

MED MIZER®

Elegant Residential Styling; High-Quality American Made; Clinically Innovative Features

600lb Capacity with expandable width allows for a 36", 39", and 42" mattress option

Multiple Rail options allows for use at the head and leg sections (as needed)

Clinical-Contour® reduces migration while alleviating skin shear and eliminating sliding down towards foot board and repositioning needs

Powered height adjustments allow for a low height of 10" and a high height of 25" (without the sleep surface)

Use the built in stand assist (high/low) to safely enter and exit the bed at an appropriate height

Optional Scale provides easier access to weight

Backlit Pedant with lockouts allows full controls (head, knee, high/low), clinical contour, trend/reverse trend, underbed lighting, as well as full OneButton Chair Position

Hidden Casters extend with the push of a button so bed can easily be moved while adding to the beds aesthetics

Full access underneath the frame allows for safe lifting equipment and easy cleaning underneath the bed

Underbed Lighting option helps illuminate the floor

Battery Backup allows the bed to function during a power outage

Premium aesthetics provide the ultimate in home like comfort with 4 wood colors available

Advanced Positioning Trendelenburg/Reverse

SelectCare Bed
