

HOW IT ALL BEGAN

My story is your story. I answered "Yes" to all of the questions on the cover too! **MY ONLY MISSION** at the time was to keep Abram safe but there was nothing on the market to do that, so designing my own solution was my only option. And guess what? It worked!

I knew there were other families in need of this bed and I believe The Safety Sleeper is my calling and contribution to this world.

NOW, MY ONLY GOAL IS TO HELP PROTECT YOUR LOVED ONE from the dangers associated with night wandering, tantrums, and fall risks.

Inside this brochure, I promise, you will find the perfect solution to meet your needs, so keep reading.

Philippians 4:6-7

Do not be anxious about anything, but in everything, by prayer & petition, with thanksgiving, present your requests to God. And the peace of God, which transcends all understanding, will guard your hearts & your mind in Christ Jesus.

This bed is absolutely life changing! Not only do I get rest, I feel as if my little one sleeps better as well! And with sleep comes more patience. Bed time is NEVER a fight anymore! My daughter absolutely loves being in it, sleeping or relaxing it's her space and I love how I can take it where I please (5-10 minutes to take down/put up!)
