TABLE

G R A C E

If creativity and design is your thing, this center table is a perfect match for your taste. From the smoothness of the table top to the inward bent base made of solid wood, every inch of this piece is immaculate and refined. The curvy corners enhance the texture of the table complementing the polish of the structure.

CARLA

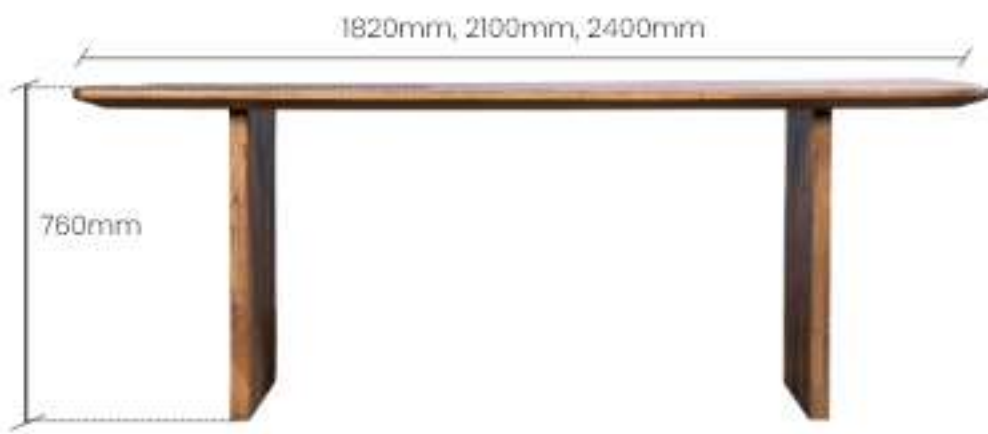

Portraying the traditional style with a twist, this impeccable piece of art oozes elegance and fashion. The inward bent leg support depicts a wavy appearance to the table and makes it look seamless. The thin and sleek top enchants perfection beyond one can express. The lustrous polish adds shine to its beauty and royalty.

C H I N

This beautiful piece provides a new paradigm for your furniture collection. The soft textured table top is meant for the luxurious feeling at your disposal. Holding up this elegant top, the smooth round legs seem un-ending and stand tall to its worth. It has a peculiar charm to its look that glues your eyes to the beauty.

A L M A

The traditional wooden table with soft edges and minimal diversion. The glossy finish of the table top is noticeable from a distance which catches your eye in an instant. The linear nature of the base gives it a firm support and the wide legs make it sturdy and fixated. Though the lightness in volume is a plus for portability.

A L I C I A

A standard piece with chiseled edges and clean cut corners. The streamlined design of the table in contrast with the opposite facing curved legs is the distinctive character of this piece. The thin elegant top gives it a peculiar style in a remarkable fashion which in turn enhances the beauty of the sleek queen.

CHAIR

N A T A L I A

From stylish to expressive, this chair is an immaculate piece of art built for your comfort. The light wooden structure makes it easier to move around hence relocating on the basis of need is smooth for an impeccable dining experience. The enveloping frame holds the seat firm and good for a comfortable fit. It's a perfect fit for your deep thoughtful conversations to flow at ease.

S T E L L A

Furnishing your dining area with elegance and style. This immaculate chair is built to fulfil the demand of an innovative piece that could be extremely comfortable. The slant lines add a sophisticated touch to the rustic look at the back and the base. The beautifully designed back rest is smooth with every curve carved with precision and accuracy.

L U C A

A strong base and the wide seat is a feature of utmost interest in this chair. This piece is the definition of ethnic and aesthetic combined together to form the most authentic piece of furniture you can find. The curved back with slanted armrests provides you a comfortable experience in its lap.

C H I N

The Chin Dining Chair is an epitome of beauty and sophistication. The soft plush cushion with its essential lines emits welcoming vibes. The low designed back along with the seamless spikes of fine ash wood accentuates the versatility of the piece. The glossy finish of the polish is another added advantage.

L I N D A

The simple lines, well-defined forms and generous, comfortable seating makes the Linda Dining Chair a timeless classic. Ideal for home and public settings, this chair creates the perfect feeling of a soft embrace and an expression of delight. The meticulous weave of the fabric enhances intimacy and pleasant sensations.

N I N A
