How to Reset your Password

StitchDelight.net

STITCH DELIGHT

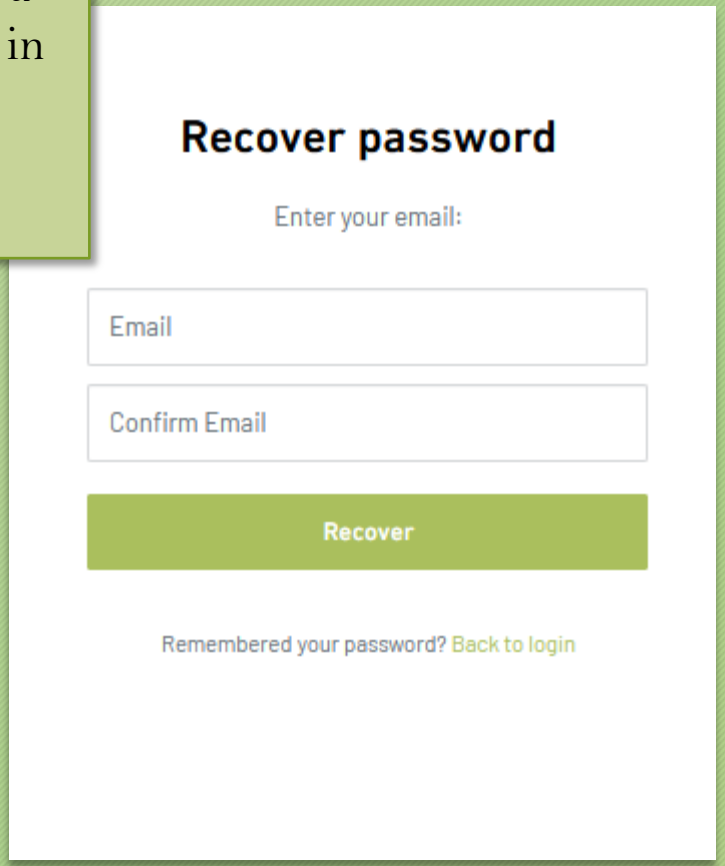
We take Embroidery a Step Further

Step 1 – Find ‘Recover Password’ Link

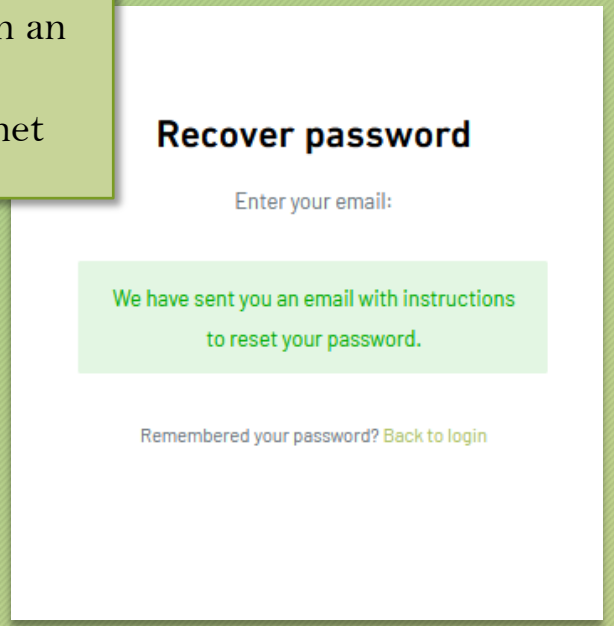
Start by clicking on My Account (Top Righthand Corner) Then click on the green “Recover password” link.

Step 2 – Enter your email address,

Enter the Email Address you used to register the account in both fields, second one to confirm you've entered it correctly.



Time to check your email ;) Don't forget to check your Junk/Spam folder too incase it doesn't come through within a few minutes. If you're not receiving any email within an hour, please contact Support@stitchdelight.net



Step 3 – On your Email

STITCH DELIGHT

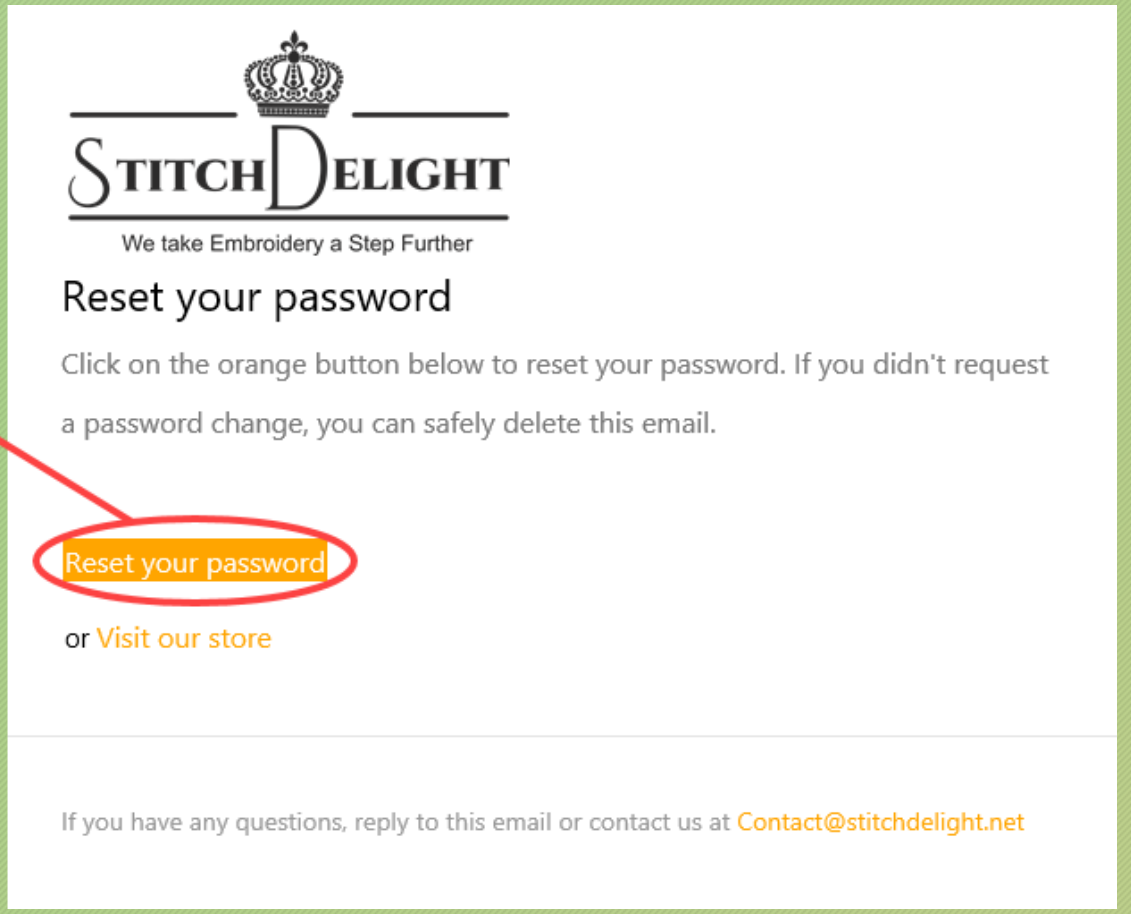
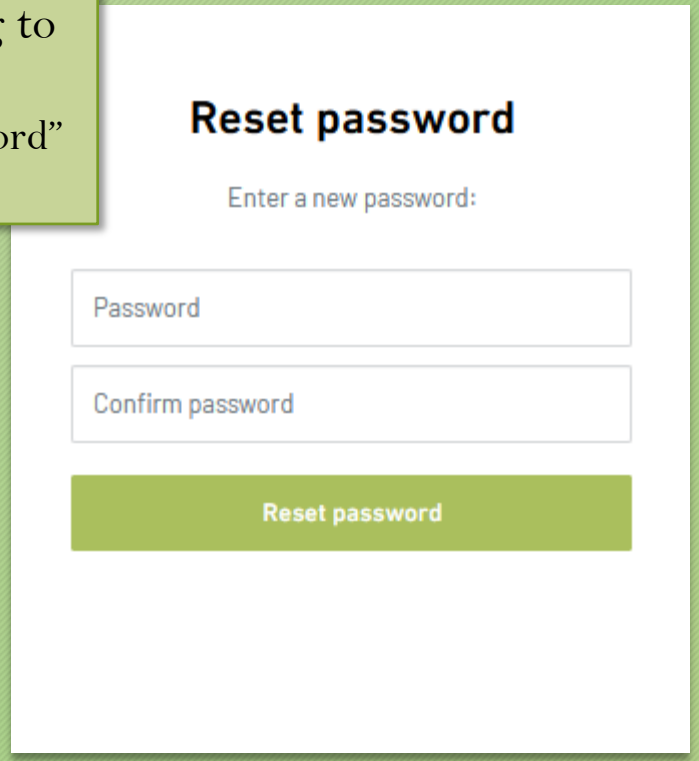
Reset your password

This is what your email will look like. Simply click on "Reset your password" to set a new password.



Step 4 – Pick a Password

Here's where you get to choose the password you're going to remember best.
Finally, click on "Reset password" to complete.



Before you move on!
Why not have your browser save your password?

Check the next page…

Step 5 – FireFox

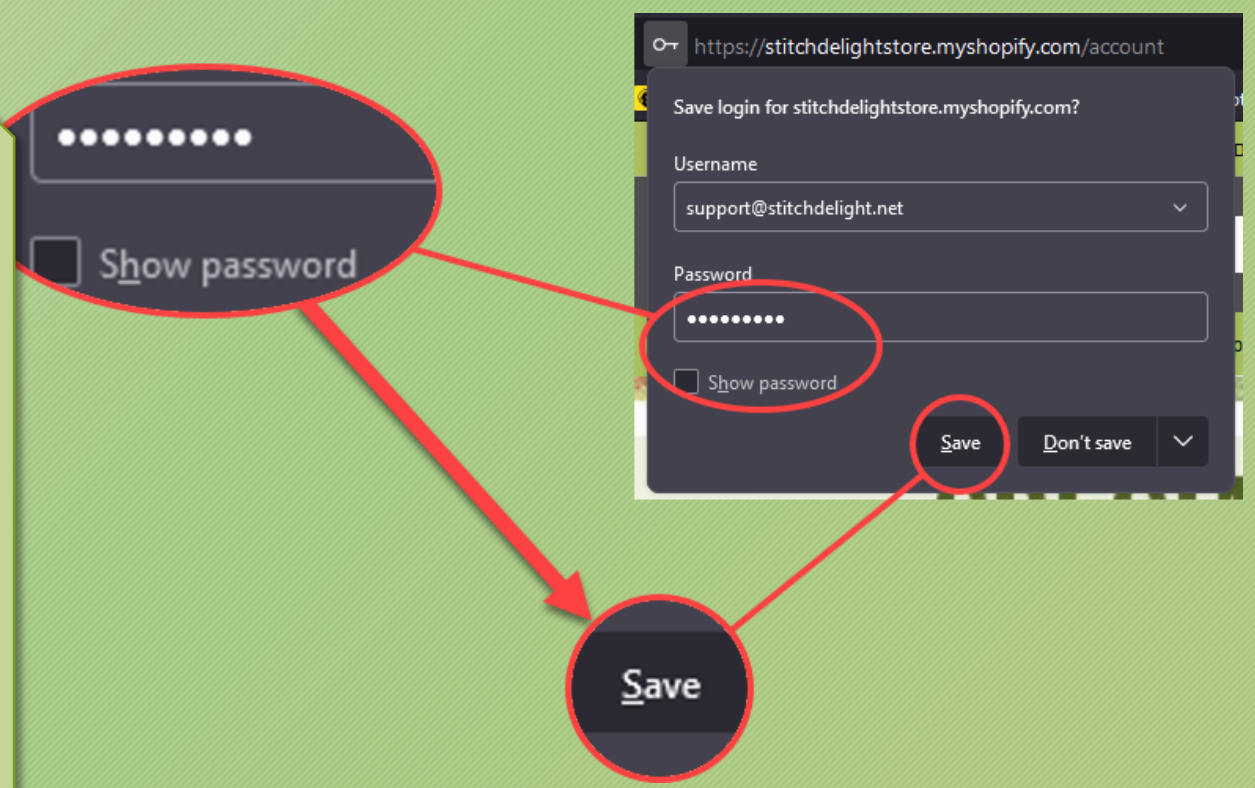
After changing your password or logging in for the first time, your browser would ask you if it should remember your password. This is a very convenient way of effortlessly logging in next time.

Next time you log in the browser will automatically fill in the password for you!
On the right is an example of the pop-up window Firefox will prompt you with to store your password.



Step 6 – Google Chrome
