BIRTHDAYS

Host your next Birthday at Hamilton Craft Studios! Enjoy an engaging and hands-on group activity that combines learning, creativity, and fun! Our studio offers a unique opportunity for kids to explore various mediums and learn practical skills through interactive work shops. From pottery and painting to textile arts and woodworking, we provide a diverse range of activities that encourage experimentation and self-expression. Our experienced instructors foster a supportive environment, inspiring kids to try something new and unleash their creativity. Join us for a memorable and fun birthday experience where students can discover the joy of making and take home their own unique creations.

Birthday Itinerary - 2.5 hour session at HAMILTON CRAFT STUDIOS

15 minutes: Welcome and Get Situated

Greet the group as they arrive at the studio.

Provide a brief introduction and guide them to the designated area to put away their bags and belongings.

60 minutes: Craft Session 1

Party proceeds to Craft 1 in the studio for a 1-hour crafting session.

60 minutes: Food and Party Times

Gather the entire group for snacks/food and birthday cake.

Party Organizers are welcome to bring in or order any food they would like to provide the partygoers.

15 minutes: Clean Up after Craft / Prep for Departure

Time for everyone to clean up their workstations and collect their belongings.

This is a buffer time to ensure smooth transition between craft and the party, but also to give time to pack up and prep to leave at the end of the session.

Please note that this itinerary is a general guideline and can be adjusted based on the needs of the party.

BIRTHDAYS

BOOKING

To book a school group visit or inquire about our programs, please contact us at:
Email: info@hatoncraftstudios.com
Phone: 647-567-3486

Rates:

5 - 10 kids: \$300

11 - 15 kids: \$400

16 - 20 kids: \$500

Additional participants (including adults): \$30 per person

We can accommodate groups of up to 35 kids. Please note that all bookings require advanced notice for scheduling purposes.

Adults are required to be present to supervise and assist - a minimum of 1 adult for every 10 children. Adults participating in the class will also be required to pay for their spot.

We require a deposit fee of \$250 to secure your booking, which will be applied towards the total cost. The remaining balance is due on the day of the event.

Cancellation Policy:

Full refund for cancellations made at least three weeks prior to the booked date.

Refund, minus a \$140 administrative fee, for cancellations made with a minimum of two weeks' notice.

Cancellations within two weeks of the booked date will forfeit the deposit fee.

Rescheduling is available in the event of inclement weather or unforeseen emergencies that may impact the safety and enjoyment of the experience.

We look forward to hosting you and providing an enriching and memorable experience. Contact us today to reserve your preferred date and secure your spot.

BIRTHDAYS

PROGRAMS

Wood Wobots

Unleash your woodworking skills as you design and craft your own wooden wobot friend, using rudimentary architectural drawings. Dive into carpentry basics and bring your imaginative creations to life.

Clay Critters

Step beyond pinch pots and embark on a clay adventure to sculpt charming animal characters. Learn sculpture techniques and surface decoration methods to give your critters unique personalities.

Party Bunting

Join the fun of fabric decoration by exploring printmaking, painting, and embellishment techniques. Create personalized bunting to showcase your creativity and add a touch of whimsy to any celebration.

Printmaking

Discover the art of printmaking by mastering stencil creation. Unlock a world of unique prints using various techniques, building confidence in exploring ideas and embracing artistic experimentation.

Puppet Making

Let your creativity soar in the textile studio as you design and craft your own functional hand puppet. Gain valuable skills applicable to everyday repairs while learning the art of translating two-dimensional drawings into three-dimensional artworks.

Story Book Illustration

Ignite your imagination with mixed media drawing and bring stories to life through visual representations. Explore texture, depth, and color with guided prompts and playful exercises, fostering creativity and a love for storytelling through art.

Whistle Making

Explore the art of clay as you embark on a journey to create unique and functional clay whistles. Learn clay sculpting techniques and experiment with different shapes and designs to craft your own personalized whistles. Discover the joy of making music while unleashing your creativity in the studio.

Make It Mini: Join us on a creative adventure as we dive into the world of miniature art and design. Using recycled materials, discover the magic of transforming everyday items into tiny masterpieces. From miniature furniture to household items, learn to see materials with a fresh perspective and unlock your imagination to create unique and imaginative miniatures. Let's turn the ordinary into extraordinary!
