SCHOOL EXCURSIONS

Hamilton Craft Studios

Bring your students to Hamilton Craft Studios for an engaging and hands-on group activity that combines learning, creativity, and fun! Our studio offers a unique opportunity for students to explore various mediums and learn practical skills through interactive workshops. From pottery and painting to textile arts and woodworking, we provide a diverse range of activities that encourage experimentation and self-expression. Our experienced instructors foster a supportive environment, inspiring students to try something new and unleash their creativity. Join us for a memorable and educational experience where students can discover the joy of making and take home their own unique creations.

School Group Itinerary - 3 hour session at HAMILTON CRAFT STUDIOS

15 minutes: Welcome and Get Situated

Greet the school group as they arrive at the studio.

Provide a brief introduction and guide them to the designated area to put away their bags and belongings.

60 minutes: Craft Session 1

Split the group into two parties.

One party proceeds to Craft 1 in the general arts area for a 1-hour session.

The other party goes to Craft 2 in the ceramics area for a 1-hour session.

30 minutes: Food and Rest Break

Gather the entire group for a break to have snacks or lunch.

Provide a designated area for dining and relaxation.

Allow the students to rest, socialise, and recharge.

60 minutes: Craft Session 2

Parties switch craft stations.

The group that previously participated in Craft 1 now proceeds to Craft 2 for a 1-hour session, while the other group moves to Craft 1.

15 minutes: Clean Up and Departure

Allocate time for students to clean up their workstations and collect their belongings.

Guide the group in an organised manner as they prepare to leave the studio.

Please note that this itinerary is a general guideline and can be adjusted based on the specific needs and preferences of the school group.
