

The background is a light beige color with several abstract elements. A large, solid mustard yellow triangle is positioned in the upper right quadrant. A solid dark blue triangle is in the lower left quadrant. Several thick, dark brown wavy lines are scattered across the page, some resembling stylized letters or decorative flourishes. The text is centered within the yellow triangle.

INTRODUCTION

Exclusive Cement Tiles

Around 1900 cement tiles were a very popular way of improving the appearance of public buildings and large town houses. In this period hand-made patterned encaustic Belgian tiles with intricate motifs were exported all over the world.

At David & Goliath we still offer an exclusive collection of timeless cement tiles. Some of our designs are based on traditional floors, while others are entirely contemporary creations.

Our collection ranges from exquisite belle-époque motifs and colourful vintage tiles, through the taut simplicity of art-deco to timeless classic patterns or designer tiles created by contemporary artists.

Timeless Cement Tiles

Our single colour uni-tiles add a touch of warmth to modern interiors. David & Goliath cement tiles are still made entirely by hand and are of an extremely high quality, which makes them very easy to maintain.

We supply tiles from our own stock and the required maintenance products to every corner of Europe. Cement tiles can also be custom-made to your specifications.

FR PRESENTATION

Carreaux Ciment Exclusif

Vers 1900, les carreaux en ciment étaient très populaires pour décorer les hôtels de maître et les bâtiments publics. À cette époque, les carreaux belges fabriqués à la main avec de somptueux motifs étaient exportés dans le monde entier.

Aujourd'hui, David & Goliath propose de nouveau une collection exclusive de carreaux en ciment intemporels. Nos motifs se basent sur d'anciens sols et sur des projets contemporains. Nous proposons donc des motifs Belle époque, des carreaux colorés vintage, des sols Art déco épurés, des motifs classiques indémodables et des carreaux design d'artistes contemporains.

Carreaux Ciment indémodable

Nos carreaux en ciment unis donnent de la chaleur aux intérieurs contemporains. Les carreaux en ciment de David & Goliath sont toujours fabriqués entièrement à la main. Leur haute qualité rend leur entretien très facile.

Nous fournissons des carreaux de notre stock et des produits d'entretien adaptés dans toute l'Europe. Les carreaux en ciment sur mesure sont également possibles.

NL INLEIDING

Exclusieve patroontegels

Cementtegels waren rond 1900 heel populair ter verfraaiing van herenhuizen en publieke gebouwen. De Belgische handgemaakte patroontegels met weelderige motieven werden in die periode over gans de wereld geëxporteerd.

Bij David & Goliath vindt u vandaag opnieuw een exclusieve collectie tijdloze cementtegels. Onze motieven zijn zowel gebaseerd op oude vloeren als op hedendaagse tegelontwerpen.

Zo hebben we rijke belle-époque motieven en kleurrijke vintagetegels, strakke art-deco vloeren en tijdloze klassieke patronen en designtegels van hedendaagse kunstenaars.

Tijdloze cementtegels

Onze eenkleurige uni-cementtegels geven warmte aan hedendaagse interieurs.

De cementtegels van David & Goliath worden nog volledig met de hand gemaakt en zijn van zeer hoge kwaliteit, wat ze heel onderhoudsvriendelijk maakt.

Wij leveren vanuit eigen stock tegels en aangepaste onderhoudsproducten naar gans Europa. Cementtegels op maat zijn eveneens mogelijk.
