Orders may be faxed, posted or telephoned through to HCH. All prices include GST and may change without notice. Exchanges due to incorrect size or style choice will incur additional postage charges. Products for exchange or refund must be returned in 'as new' condition.

As an additional service, HCH will bill carers, relatives etc directly on behalf of the facility where approval has been sought. HCH bills directly for DVA.

Important note: The facility must have approval from the biller prior to ordering.

Palm, Knuckle & Complete Hand Protector

Protect the delicate skin around your hands while enjoying full mobility of your fingers. Covers the vulnerable areas of the hand in a plush foam shield. Easy to put on and remove, comfortable enough to wear for hours. We have styles which cover isolated areas (palm and knuckles), or a complete hand protector for double sided protection.

Protective Cotton Sleeves for the Legs & Arms

Move with confidence and comfort. We offer a range of protectors specifically designed for the elbows, shins, knees and arm. A natural cotton cover provides breathable comfort with moderate compression. A sewn-in foam pad protects the area from knocks and bumps.
