

# FATTE BIKES®

FAT TIRE ELECTRIC BIKES

## CAPABILITY STATEMENT

Approved through  
GSA Vendor  
Partner

FattE-Bikes is the only woman-owned electric bike manufacturer in the USA.

We build high quality ebikes designed for use in any environment requiring transportation solutions that are sustainable, systemic, and scalable.

We provide fleets that meet net zero goals and can replace heavy, expensive, energy intensive vehicles with light-weight, affordable, compact electric bikes.

### NAISC CODE:

**336991 - Electric bicycle manufacturing**

**423110 - Bicycle, motorized, merchant wholesalers**

**441227 - Bicycle shops, motorized, retailer**

**UI: JEKVPJH543M1**
