

We hope you are excited about your recent purchase of the Fit 2 Flaunt pole! We understand that installing a pole can sometimes be challenging, and we want to ensure you have a seamless experience.

If you encounter any issues during installation, particularly if the pole is too short, we recommend rechecking your measurements using the provided ceiling height chart. Accurate measurements are crucial for a secure fit.

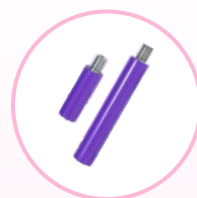

Should you find that you need additional extensions, we have you covered! Please select from the following options (click on the desired):

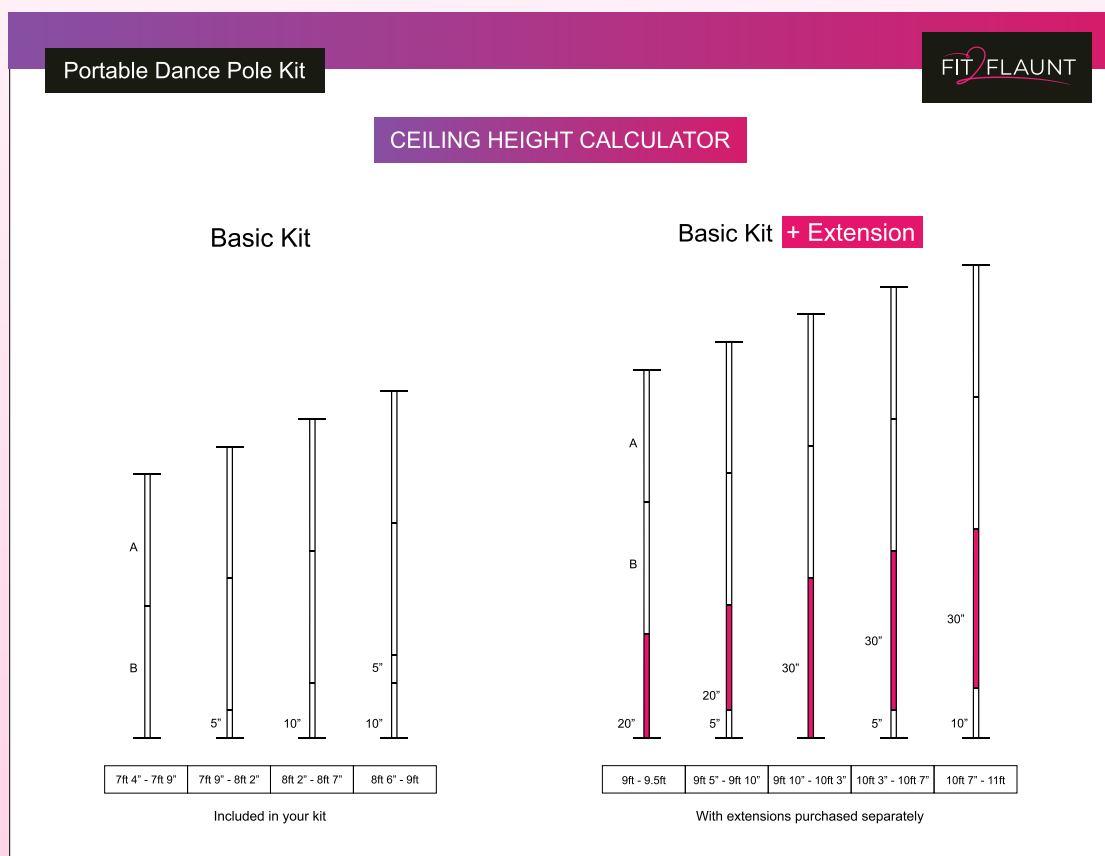

CHROME EXTENSIONS

PINK SILICONE EXTENSIONS

PURPLE POWDER EXTENSIONS
