The EnviroSac® Open Washout Bag works like a dumpster, making it simple to clean up job site debris and capture excess material, with pop-up ease. The waterproof liner keeps liquid contained.

Features:

- Pop-up metal frame keeps sack upright and open while filling
- Tough, tear-resistant woven polypropylene
- Extra sturdy reinforced poly straps wrap around the bottom
- Chain-stitched waterproof liner for liquid containment
- Poly pocket for managing project information
- Strong lift handles for maximum portability
- Volume Capacity - 24.3 cubic feet | 182 gallons | 0.9 cubic yards
