The Envirosac® X-Large Chute Bag works like a little dumpster making it simple to clean up job site debris and capture excess material with pop-up ease. The waterproof liner keeps liquid contained.

Features:

- Adheres to environmental regulations
- Pop-up metal frame keeps sack upright and open while filling
- Tough, tear-resistant woven polypropylene
- Extra-sturdy reinforced poly straps wrap around the bottom
- Waterproof liner for liquid containment
- Poly pocket holds and displays project information
- Strong lift handles for maximum portability
- Perfect for transporting sand, gravel, mulch etc.
