

Role: Maintenance Worker

Full Time, Year Round. Five days across the seven day week

Responsible to: Facilities Manager

Role Summary:

We are looking for a Maintenance Worker to work independently and as part of the Killruddery Facilities team, providing assistance to the daily maintenance and presentation of the business in all areas. This is an active, outdoor role and the successful candidate will ensure that each area is safe, presentable and ready for the public and staff. This role is full of variety and opportunities to learn new skills.

Main areas of responsibility:

- To fix, find and/or report defective materials and equipment to Facilities Manager
- Manage a variety of repairs on the grounds
- To ensure that any maintenance issues within the premises are rectified on a daily basis, prioritising based on public usage
- To ensure a consistently high level of security is well maintained throughout the premises
- Carry out regular inspections of premises to identify maintenance requirements
- To carry out specific projects as requested by Management
- To liaise with Facilities Manager on a weekly basis to ensure all areas are set up and in correct working order
- Offering occasional support to the Facilities Team when required
- To at all times undertake your role in a professional manner maintaining a high quality standard of work, and to always work in accordance with the vision and ethos of the company

Requirements:

- Completed secondary level education
- Carpentry or woodwork skills
- Full, clean driving licence
- A minimum of one year's previous experience in a similar role
- General knowledge of tools, training will be provided where required
- Knowledge of DIY – the need for fixing, painting, creating and improving is needed on a daily basis
- Good communication skills – as you will have to interact with many departments in the business

KILLRUDDERY

- Physically fit and able – the job can be physically demanding needing to carry, lift and move heavy objects. Specification available
- Knowledge of power tools
- Organisational skills
- Attention to detail
- Ability to follow and prioritise work lists

Desirable:

- Ability to work off your own initiative
- Completed college level education
- First Aid training
- Manual Handling training
- Safe Pass
- Teleporter licence
- Fire Safety trained

To apply, please send a detailed C.V. with cover letter to facilities@killruddery.com
