

FINANCIAL REPORT

FY 2019-2020

FREEDOM ISN'T FREE

"Freedom Isn't Free" because it costs our service men and women their limbs, their mental health and years of their life dedicated to protecting our nation from harm. That is why Homes for Veterans is devoted to taking care of our disabled heroes when they return home without requiring them to further sacrifice their time and efforts.

Too often our disabled veterans are forced to live in dangerous conditions and they cannot find the help they deserve. They fall stepping over the bathtub or they become trapped in their own homes with no one to carry their wheelchair down the front steps. These heartbreaking obstacles can be overcome thanks to you, and we are honored to facilitate them.

Our waitlist continues to grow as our veterans face a myriad of health and housing hardships. You are an integral piece in the work that we have done and continue you to do. Therefore, on behalf of the Homes for Veterans board, I thank you for your continued support and generosity.
