What to expect:

Get ready for the trip of a lifetime!

Weather: The weather during this time of year in Italy is cooling down, and the nights may start to get slightly chilly. Although we can expect warmer days, this is the autumn season, so pack a jacket for evening times.

Culture: The Italian Culture is rich and vibrant. Italian people are very proud of who they are and speak about their country with great passion. The Italian culture has made tremendous contributions to art, philosophy and architecture. Avoid conversations with locals on politics and the economy, where possible, and do some reading up on this great country before the trip starts!

Group Travel: Group travel can be fun and rewarding. However we stress the importance of being patient and courteous to others on the trip and remembering that everyone comes from various backgrounds and have had various experiences. We want this to be a rewarding and enriching trip for all.

Air Travel: Air travel can be unpredictable sometimes. Whether its flight delays, flight cancellations or luggage issues. Please remember that we are here to help but you must do your part! This can entail packing as lightly as possible, adhering to luggage guidelines from the airline, checking in online in advance and arriving well in advance for scheduled flights. Let's kick off this journey on a high note! And of course any issues you have along the way we are here to help!

How to pack: We will forward you a packing list closer to your trip date.
