EVENTS PACK

YOUR EVENT DREAM TO REALITY

Welcome to the Terrace Restaurants, where we bring your event visions to life. Our events team will work with you to create a special day to remember. From bespoke decor, menus, and playlists, yours will be an event full of personal touches set in a truly unique space.

We have two stunning venues to choose from, both perfect event spaces with unique areas that can be adapted to create the perfect setting.

The Terrace Knightsbridge is filled with lush tropical plants and cozy boho soft furnishings, located just off Brompton Road.

The Terrace Bakery is a bright and open space with Mediterranean olive trees, beautiful tiled floors, and colourful art pieces, located in North Acton.

Talk with us to help you decide which space is right for your needs.
